We hereby Certify that Nursinge
Row Head Sheriff of Collectors of
Huron is incapacitated from
the further performance of his duty
by Atrophy and general debility.

His incapacity has not been
induced by intemperance or other
irregular habits.

We are also of opinion that
no material improvement is likely
to result from relaxation from duty
or medical treatment.

Remarks

12-9

Nothing is known of the Kurnool Commission from books earlier than 30th April 1843; explanation might have been asked & reference made to Government records as to the cession & consequent establishment but that the rejection of the last item of service renders question unnecessary by reducing service below limit for the highest pension but not visiting the lower. The Court's despatch refused to recognize the service of Shroffs afterwards appointed, but it can hardly have desired that an appointment as Shroff should destroy existing claims from past service. I hold therefore that pension may be granted to an amount not exceeding 1/3 of the average pay of the last 60 months which is count for pension, i. e. of the months 1st July 1855-30th June 1860. This average pay is Rs 20-12-9, and the resulting pension Rs 6-12-0.

Read the following Papers

From the Collector of Kurnool (Here enter 10th October 1865)
Report of the Dy. Accountant General { 20th Nov. 1865
From the Collector of Kurnool (4th Dec. 1865

Order thereon 1st January 1866

The Governor in

Council directs that the amount of pension payable to the late Narsinga Row at the rate of Rs 6-12-0 per mensem, calculated from the date of his discharge up to the date of his death viz: 1 month and 13 days be paid to his heirs.

2 The Collector will report having done so to Govt.
3 It is observed that

Service of Narsinga Row as Head Shroff from 1st July 1865 to the 31st August 1865 cannot

be reckoned for pension
under the Notification
published in the Fort Saint
George Gazette dated 22nd
May 1856. The Collector
would seem to have
overlooked the fact,
when he placed him in
that position.
