Extract from the Register of Services of
A. C. Sandappa Pillai, late Sheristadar on
the Establishment of the Principal Sudder
Munsif's Court of Tanjore -

Column - 6.

x x x x

This respectable old
servant is diligent and attentive
as ever to his duties -

It is not perhaps to be
expected that having entered the
service at the age of 25, he should,
after more than 26 years of service,
be able to carry on his duties so
efficiently as he did in former
years -

I thought it desirable
on many accounts about 18 months
ago to relieve him of a part of his
work, which he consented to give
up, and Regunada Row, the new
Head Writer, kindly agreed to
undertake - Sandappa Pillai
has since had no difficulty in
whatever in performing the

remaining duties assigned to him.

8th June 1858.

(Signed) L. C. Inner-
Sub Judge.

I have found it necessary
to relieve Sandappa Pillai of all
duty but that of signing stamps
and receiving and disbursing
money. I regret to say he is now
quite useless in other respects.

(Signed) L. S. M. Grenfell.

Ag. Sub Judge.

Sir,

In reference to your
 Memo of the 26th Instant, No. 4,528,
 I have the honor to state that from
 the list of services furnished by the
 Collector of this District, Sunda
 Pillay, late Sheristadar of this
 Court, appears to have held the
 appointment of Translator in
 the Collector's Office permanently
 during the period in question, but
 that though the pay of that post
 was 70 Rupees, yet only 50 Rupees
 were, under the orders of the then
 Collector, paid to him from 1837
 to 1839. It also appears that but
 35 Rupees for 2 months in 1837 were
 paid him on account of his care & ex-
 -pense in the performance of his
 duties.

2 — I beg to add that there is nothing on record against the character and conduct of the said Sanda Pillay, but I find that as to his efficiency, the judges under whom he has served have recorded different opinions. Some appear to have said much in praise of his zeal and diligence, and others the contrary. On the whole I make no doubt that he was a meritorious public servant.

From the entries in the service registered it ~~would~~ appears that A. C. Sandappa Pillay's abilities ~~had~~ begun to fail in 1858 and that he had become almost useless in 1859. Accordingly the Governor in Council is not disposed to allow him the full amount of pension to which ^{otherwise} he would be entitled, and directs the grant of a reduced pension of Rs 40 per mensem, with effect from the 9th October 1865.
