Proceedings of the Madras Government, Pension Department,
9th April 1866.

Read again Proceedings of Government, Pension Department, dated 12th September 1865, No. 348.
Read also the following letters from the Civil Judge of Guntoor.
(Here enter 5th December 1865, and 16th February 1866, Nos. 229 and 9.)

ORDER THEREON, 9th April 1866, No. 105.

The Government have now before them a Statement of the Reports to which the Civil Judge of Guntoor alluded in his letter forwarding the application for pension on behalf of Voorivi Nursimulu, and also the extracts from the Service Register bearing upon his character and his testimonials. These seem to be, without exception, favorable.

2. The reports to which Mr. Hodgson refers resolve themselves into this,—that the Serishtadar was notoriously corrupt, and that the applicant was by repute his right-hand man. The only case which can be brought forward is one in which the Nazir (applicant) is said to have sold, for Rupees 23 or 24 per candy, chillies which, it is alleged, had been damaged by keeping, while the bazaar price was Rupees 44 per candy. The sale, the Government presume, was under a decree of Court, and that a sale under such circumstance should produce only half the value of the commodity is not so rare an occurrence as to point to even the probability of wrong doing. The Government cannot consider that there is any such ground for suspicion as to justify them in noticing this matter.

3. The Government resolve, therefore, to grant Voorivi Nursimulu the full pension to which he is entitled, viz., Rupees 22-8-0 per mensem, from the 1st April 1865, on which day he seems to have been relieved.

4. This pension, as requested, will be made payable by the Collector of Kistna District.

Sir,

1 With reference to the order of Government dated 12th September last No. 348, I have the honor to report for the information of His Excellency the Governor in Council, that the late Serishtadar of this Court was a man, whose character for prostituting his Official position, to his own personal advantage, was matter of notoriety in this District.

2 On my arrival here, he was induced to tender his resignation. The Nazir of this Court, was, by repute, his right hand man, & in one case which came

came before me, occasion was given by the Nazir's Official proceedings, to suspect that he had not discharged his duties faithfully. The case can be forwarded, if necessary, but the point in it to which I refer, is that he, as Nazir of the Court, allowed about 86 candies of Chillies to be sold for Rupees 23 or 24 per candy, while the price in the Bazaar at that time, as I ascertained from the Tahsildar, was Rupees 44 " " per candy. It was alleged that these Chillies had been damaged by keeping. The case was brought under my notice by Petition from the sufferer, who made it appear that he was hardly dealt with throughout his case through the combined influence of the

the late Serishtadar & Nazir. He has since filed a suit for damages in respect of the loss occasioned by the forced & hurried sale of these chillies, much below their value during his absence at Madras. This is the only case of which I have Official knowledge.
