In accordance with the Gratuity Rules of 4th July 1862, the Right Honorable the Governor in Council sanctions the grant of the gratuities specified against their names to the twelve Peons, and the Deloyet named in the margin, who have been thrown out of employ in consequence of the reduction of establishment.

2. Peon Mahomed Sheriff, No. 10 on the list, was dismissed in October 1852 for failing to return to duty from leave, and he was not re-employed again until after the lapse of more than two years. Accordingly, his service prior to the break does not count for gratuity. For his subsequent service of five years, two months, and six days he is entitled to a gratuity of Rupees 15, being three months' pay, which amount will be passed to him in lieu of the higher sum of Rupees 25 recommended by the Collector.

From

C. D. Reade Esq.

Collector of South Arcot
To The Examiner of Claims
Madras

Your office letter No 5299 D 15 March 66

The delay in submitting the claims of the Peons referred to in the above letter for gratuity was occasioned as in all similar cases chiefly by the failure of the parties to proffer their claims earlier and when questioned as to why they did not appear, they replied that they were either sick or were absent from their homes or that they did not know that they had any claims to gratuity till they found their comrades who had been thrown out of employ like themselves had obtained the indulgence. As a Rule, no delay occurs in this office except that which is unavoidable for references and for preparing the accounts.
