*Proceedings of the Madras Government, Pension Department,
3rd May 1866.*

Read the following papers :—

From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George ;
dated Madras, 20th April 1866, No. 369.

Post Audit Department.

I have the honor to suggest that unnecessary trouble is now taken about Superannuation pensioners, and that when an Order granting such a pension is once passed, your office need not have any further trouble about it. The permanent payable Order on which the pension is to be paid must be issued by me ; when the pension lapses that document must be returned to me, and it seems unnecessary therefore, that a separate Order should be issued, or a separate report of lapse made. For like reasons, transfers to another District within this Presidency need not pass through your hands, as the permanent payable Order must be issued by me.

2. I have spoken of Superannuation Pensions only : the procedure for all other classes should remain as at present.

From the Accountant General, Madras, to the Under Secretary to Government, Fort Saint George ;
dated Madras, 27th April 1866, No. 385.

Post Audit Department.

In reply to your Memorandum 29, of yesterday's date, I have the honor to explain, for Superannuation and Compassionate Allowances alike, I am prepared to issue the permanent payable Orders when pensions have been sanctioned by Government, and so to relieve you of all labor connected therewith, after you shall have notified to me the grant.

2. In reply to the second question, I have to explain that hereafter, for political and all other pensions, permanent payable Orders will be issued, but no change in the procedure affecting them is proposed.

ORDER THEREON, 3rd May 1866, No. 151.

The Right Honorable the Governor in Council approves of the suggestions made by the Accountant General, and directs that he will notify the same for observance by all Officers disbursing Civil pensions. Mr. Lushington's letter will be communicated to the Controller of Military Accounts, who will include similar instructions to Paymasters in issuing instructions as to the mode of paying Civil pensioners, which he proposes to introduce in this Presidency from the 1st instant,
