ORDER THEREON, 14th May 1866, No. 179.

It appears, from the papers above recorded, that A. Balakistna Moodely was, in August 1859, degraded from Sub-Overseer 1st Class 2nd grade, to 2nd Class 1st grade, and the Superintending Engineer reports that this reduction was made for neglect of duty. The Right Honorable the Governor in Council is, therefore, not disposed in this case to allow the full amount of pension, and directs the grant of a reduced pension of Rupees 10 per mensem, under the old rules.

2. The Superintending Engineer 3rd Division will be called upon to explain the long and apparently unnecessary delay which took place in the submission of the register of application.

Balakistna Moodely's services were dispensed with on the 1st April 1863; his application for pension is dated the 12th October 1863; while the register of application was not despatched from the office of the Superintending Engineer, 3rd Division, until the 22nd March 1865.

3. On receipt of this information, the Accountant General will be directed to issue a permanent payable order.
