Report of the Accountant General.

qualifying for					Average of salary for the last 5 years,	Remarks.
MS.	DS.	RS.	A.	P.		No comments on the service claimed & reported on seem necessary. The man was discharged as unfit for his post now eight years ago: had he been then unfit from sickness he could have obtained gratuity at once, & further could never have been fit for employ again; his dismissal must then have been on other grounds of unfitness, & though it were not, application after so long a time could hardly be listened to. The 16 months later service could give no claim by reason of its brevity & certainly cannot revive an already lapsed claim. The three years' further delay too is in no way explained - I cannot report any gratuity to be admissible.

Report of the Ag. Dy. Accountant General (— " — 22^d Dec^r 1865 N^o 214)

Order thereon 16th January 1866 N^o 47.

The Governor in Council is unable to grant the gratuity claimed.

2. The applicant is stated to have been removed on the 17th December 1867 as being found incompetent to fill his post longer, or, in other words, to have been dismissed.

The subsequent service of fifteen months after a break of three years can in no way revive a claim on account of service which had already by dismissal

dismissal been invalidated
as giving claim to pension.
