ORDER THEREON, 16th May 1866, No. 182.

It is observed that, in July 1853, an application for pension was submitted by the Paymaster in Mysore, on behalf of Numbadu Arnoochelliah, who was then serving in his office.

2. The total period of Arnoochelliah's verified services was found to be 34½ years, 19½ years of which were passed as Regimental Vakeel. The Government held that his service in this capacity could not count towards pension under the Civil Pension Rules, and consequently declined to grant him a pension; but, in consideration of his lengthened services, they were pleased to confer on him a gratuity equal to six months' pay.

Extract Minutes of Consultation, 5th Nov. 1853, No. 271.

Extract Minutes of Consultation, 13th Dec. 1853, No. 294.

3. It appears now, from the papers before Government, that Arnoochelliah did not accept the gratuity then sanctioned, but continued to serve on in the Mysore Pay Office, where he has completed a term of more than 30 years' service. Under these circumstances, the Right Honorable the Governor in Council is pleased to admit him to a "good service" pension of Rupees 34 per mensem, being a moiety of his average salary for the last five years, payable from the 1st instant, by the Commissioner of Mysore. His Excellency notices with satisfaction the very high commendations bestowed by Major Pringle on this old servant.

4. The complete form in which this case has been prepared and submitted to Government is very creditable to the Mysore Pay Office.

5. The Controller of Military Accounts will issue the necessary permanent payable order.
