Extract from the Minutes of Consultation.

7 October 1831.

The Board propose at a future period to take into consideration the constitution and distribution of the Civil Company of Lascars, but as the individuals composing it are neither called on for the performance of Military duty, nor subject to martial law, and are chiefly employed as servants for the protection of public property, the Right Honorable the Governor in Council is of opinion that those who may be hereafter entertained should not be allowed either Clothing or Pensions, and accordingly resolves that the men now employed in the Civil Company be drafted into the Ordnance Department as casualties occur in that branch of the service, and that persons hereafter received into the Civil Company be informed that they are to expect nothing from the Government but their monthly pay and the usual batta when required to proceed beyond 15 miles from

from the Presidency.

SIR,

I have the honor to forward two Register Rolls of application for Superannuation Pension for two Civil Lascars on the Establishment of the Lunatic Asylum, preferred under the Rules passed by Government under date the 3rd May 1864.

2. The total period of Service of the 2 Lascars Kisturn and Soobramoney amounts to upwards of 50 and 40 years respectively, and they are reported by the Surgeon in charge to have been attentive to, and correct in, their duties. I therefore consider them deserving of pension, by the conditions of their original enlistment, agreeably to Extract Minutes of Consultation Military Department dated 7th October 1831, and accordingly recommend that the rate of pension to which they are entitled viz Rs 3-2-8 each may be sanctioned from the 1st November 1865.

2. Registers of application.
1. Register Roll of Lascars.

In returning the papers as per margin, forwarded for disposal with the letter from the Acting Deputy Accountant General, dated 4 November 1865, No. 2921, for the grant of Pension to the Lascars marginally named for their services in the Lunatic Asylum set opposite their names, I have the honor to inform you that the Services of the above Individuals have been verified by the records of this Office as marginally indicated.

Soobaramonien	40	11	17

As Lascars in the Establishment of the Lunatic Asylum from 1st September 1834 to 30 April 1861 at Rupees 5-4 per mensem.

2 Although Government, in their Order of the 5th September 1834, directed the payment of the above Establishment to be made in the Military Department, yet, the Institution being a Civil one from its Commencement, these men appear to have been

been paid by the late Civil Auditor prior to September 1834.—

3. The above Lascars, not having been drafted from the Civil Lascar Establishmen to the Ordnance Department under the Extract from Minutes of Consultation 7 October 1831 referred to in the letter from the Principal Inspecto General, Medical Department, dated 20 October 1865, No. 326, do not appear to have any claim for Pension.—

4. Government in Extract from Minutes of Consultation 18 February 1851, No. 631, declared that the above Lascars, who belonged to the lat Civil Company of Lascars, were not entitled to Pension; and, if unwilling to perform their dut in the Lunatic Asylum, they must be discharge

5. In the event of any Gratuity being granted to them, the same should be adjusted in the Civil Department, the Lunatic Asylum being purely a Civil Establishment.—

Sir,

In accordance with the requisition conveyed in the endorsement Memo. No. 1388, of the 20th instant, from the Officiating Secretary to the Principal Inspector General on the Memo of the Examiner of Claims, of the 17th idem, No. 5539,* I have the honor to acquaint you that the 2 Lascars to whom they have reference were detached to do duty at the Lunatic Asylum from the Arsenal in Fort Saint George some years previously and paid there monthly until the order+ of Government placed them as part of the Establishment of the Lunatic Asylum and their salary was accordingly drawn from the 1st June 1833 in the Civil Department.

2. Another order* of Government directing "that the expenses of the Lunatic Asylum should be transferred to the Military Department simultaneously with the correspondence" rendered it necessary to draw their monthly stipend in that Department, which commenced to be so drawn from the 1st September 1834, as shewn by the records of the Asylum.

3. The previous period of service of these men in the Ordnance Department is given in the Register Roll furnished to the Surgeon of the Lunatic Asylum by the Commissary of Ordnance (Colonel Frith) dated 24th June 1833, a copy of which accompanied my letter No. 186 of 11th October last, to the address of the then Deputy Inspector General, Presidency.
