The individuals enumerated in this list have served in the Salug Catecheries as Peons and earned them out of employment by the reduction of establishments. They were employed by the introduction of Mr. Pelly's Scheme in 1800 the total period of their services about 20 amount to 30 years in full to entitle them to the benefit of the compassionate allowance. This case therefore, came under the gratuity Rules applicable to servants serving in grades ineligible for Pension. The Collector has recommended that the amount of gratuity be opposite 30 to the names of each individual to which each is entitled in proportion to his service allowed under the Rules. This Register of application for gratuity issued with the instructions of the late Civil Paymaster General in his Memo dated the 21st November 1864.
