To

THE Chief Secretary to Government
Pension Department. -

SIR,

With reference to your

No.

dated

The accompanying Certificate (255 dated 28th January 1864) notifies the grant to a widow aged 26 of a pension tenable till her two sons "are capable of supporting themselves and their mother"; no entry is made of their age and I am unable therefore to judge when the term of the grant is expiring, and to watch against fraud. I venture therefore to suggest that the better plan would be to grant pension for a definite time, say till the elder son is 18, leaving the district Officer then to shew cause against the lapse, such as the death or incapacity of the said eldest son. -

I have the honor to be,

Sir,

Your Most Obedient Servant,

F. Lambington
Accountant General. -

Order thereon 25th May 1866 P. 2196.

Adverting to the conditions on which the pension in question was sanctioned by the Government of India, the Governor in Council does not deem it expedient to fix a limit of age, ~~in~~ when it should cease; but the Collector of Bellary, by whom the pension is paid, will be careful to see that it ceases immediately on one or both of the boys being able to support their mother.

2. The age of the two boys.
