Read the following papers:—

From the Collector of Malabar.

Reports of the Acting Deputy Accountant General.

(Here enter 14th November 1865, Nos. 168, 169, and 170.)

ORDER THEREON, 17th January 1866, No. 19.

With the foregoing letter, the Collector of Malabar submits applications for pension on behalf of four individuals employed in the District.

2. Adverting to the report of the Acting Deputy Accountant General on the case of A. Parangodasha Menon, Revenue Inspector of the Calicut Taluq, the Governor in Council is pleased to pass to him a pension of Rupees 6-12-0 per mensem, being one-third of his average salary for the past five years. It is remarked that his service qualifying for pension amounts only to 16 years, 8 months, and 29 days, and although, as stated by the Collector, his character has not on the whole been good, yet the special services rendered by him at a critical time, in connection with the inquiry into the late Mr. Conolly's assassination, justifiies the recommendation which Mr. Ballard has submitted in his behalf. The pension will be paid from 13th January 1865.

3. The Governor in Council is also pleased to grant to Thondikolom Gramom Someshwara Iyen, late Sheristadar in the Kurumbranad Taluq, a pension equal to a moiety of his average pay for the last five years, or Rupees 24 per mensem, from the 1st June 1865, and to Madapur Krishna Rayer, Goomastah of the Beypore Salt Golla, a pension averaging one-third his pay for the past five years, viz., Rupees 7-12-0. The Government are unable to grant to this latter individual the higher rate of pension recommended by the Collector, since he served in a menial capacity between 1831 and 1839, and held only an acting post from 1860 to 1863. Krishna Rayer's pension will be made payable, from the 12th June 1865, from the Coimbatore Treasury, as requested.

4. The application of Kakara Raman Menon will be disposed of on receipt of a reply to the reference which has been made to the Collector of Malabar regarding him.

(True Extract),

*Under Secretary to Government.*

Certified that we have examined Soneshnarayen late Sheristadar of Korumbernaad Taluq. discharged from his employment on the grounds of Old Age.

He is now 59 years of age, 31 years of which have been spent in Government Service —— He is at present laboring under impairment of vision the result of Cataract in both eyes, the Cataract being caused by old age. He has not been under regular Medical treatment, nor would it at present be of any permanent use, as the Disease must advance with increasing years, until it arrives at such a stage as to admit of the performance of an operation, the expediency of which is however very doubtful.

We therefore consider him unfit for further service.

From Govt of India Dated 28th Augt 1862
Madras Govt of 21st September /62.

Your letter No 121 dated 28th September 1865.
The orders sanctioning the Muhramut Establishment are noted.

Two lists of the Mahramut Establishment vizt one from 18th October to 30th November /52 & another from 1st December /52 to 30th November /53, appear to have been sent to the Chief Engineer D.P.W. on the 6th July /53 & 30th September /64 respectively. The lists from December /53 to March /56 were sent to the Civil Auditor on the 31st October /55 & 24th September /56. Again, monthly lists from April /56 to May /57 appear to have been forwarded to the Chief Engineer D.P.W. These lists however only show the appointment (Mahramut Accountant) but the Pay lists in this Office for the abovesaid periods go to prove that the pay of Mahramut Accountant was drawn by Someshwara Iyen. The pay was debited to General revenues under the head "Ordinary General Mis: Charges."

It is proved by the Pay lists kept in this Office that Someshwara Iyen held the post & drew the pay of Huzur Head Stamp Gomastah from 1st June /57 to 14th January /58. The Stamp Establishment was paid out of the Stamp Commission under the provisions of Reg: XIII of 1816.

It does not appear that "Detailed lists" of other than the *Fixed* Rev: & Magisterial Establishments were ever required to be furnished annually to the Civil Auditor. Hence why no detail of the Mahramut & Stamp Establishments were forwarded.

Someshwara Iyen was appointed permanently as Sheristedar of the old Kurumbranad Taluk on the 1st July /58. When this & the Kartenad Taluks were amalgamated into one & called the "Kurumbranad Taluk" he was retained as the Sheristedar of the new Taluk but was returned as "Acting" until all the arrangement consequent upon the amalgamation of the several Taluks could be finally effected. But he was in reality the permanent Sheristadar, as the post was permanently vacant when he was appointed to it.

Your letter No. 126 dated 5th October 1865.

1 The omission noticed in the Registers of applications for Pensions arose from oversight.

2 The Treasuries from which the Pensions are to be drawn are noted marginally.

3 Kristna Rayer was Sub Manager of Sea Customs at Cavay, a Subordinate port of Cannanore, but was doing duty at "Attapurom," the name of which place was inadvertently entered in the Statement of his services. The salary which was sanctioned by Government under date the 21st July 1835 was of Course paid from the General Revenues.

4 Krishna Rayer drew no gratuity when he was dismissed on reduction of the Establishment on the 30th April 1860.

5 Up to 1863 no fixed scale of Establishment for the sale of Escheats was sanctioned. Sums as required were sanctioned from time to time by the Madras Government for the entertainment of such Extra hands as were found necessary for the work. No detailed list of such establishment appears to have been sent to the Civil Auditor, but the Pay lists in this office go to prove that Krishna Rayer was employed as Extra Gomastah Escheat Establishment from 1st May to 14 July 1860.

1. Kakara Rarnen Menon — Malabar Treasury Ponani Taluk.
2. Adiarata-valapil Parangodasha Menon — Malabar Treasury Do
3. Someshwara Iyen — Malabar Treasury Palghaut Taluk.

## Report of the Accountant General.

| Average of salary for the last 5 years. | REMARKS. |
|---|---|
| 20.12.9 | In the period since 29th August 1846, at which service for pension commences, two events require remark: from 1st March 1864 to 22d June 1864 he is shown as extra Gomashtah; this service is untraceable, and the lists show ~~x~~ his proper post as permanently filled by another; on the other hand immediately after he is holding as good a post: the Collector ~~but~~ explains the service to have been on escheat Establishment, a service paid from lump sums specially sanctioned. This cannot count for pension but need hardly be treated as a break. – The other is the period from 7th Decr 1861 to 17th November 1862 which seems to the Collector a break of service; the man's name is found in the lists of 1st May 1862, & it should be regarded as absence partly on leave, partly on suspension; it will only not count for pension instead of vitiating past service. – The months 1st May 1860 to 30th November 1860 should be excluded from account in calculating period on pay: the average then was Rs 20-12-9 & the maximum pension Rs 6-12-„-„. — X |

| 23. 13.- | The service on the escheat Establishment being temporary, and having been paid from lump sums specially sanctioned, cannot count for pension. However it would not affect the claim as it was too short to raise gross service to 25 years. Qualifying service of 22 - 8 - 9 may be admitted, and pension corresponding to 1/3 average pay may be granted i.e. 1/3 of 23. 13.- |

From the Collector of Malabar ( Here enter 21st Augt 1865 No 2459
Reports of the Ag Dy Acctt Genl ( " 14th November 1865 Nos 168, 169 & 170)

Order thereon 17th January, 1866 No 19.

With the foregoing letter the Collector of Malabar submits applications for Pension on behalf of 4 individuals employed in the District.

2 Adverting to the report of the Ag Dy Acctt General on the case of A. Parangodasha Menon, Revenue Inspector of the Calicut Talug, the Governor in Council is pleased to pass to him a pension of Rs 6-12- per mensem, being one-third of

of his average salary for the past 5 years - It is remarked that his service qualifying for pension amounts only to ~~only~~ 16-8-29 (yrs ms ds) and altho', as stated by the Collector, his character has not on the whole been good, yet the special service rendered by him, at a critical time in connexion with the inquiry into the late Mr. Conolly's assassination justifies the recommendation which Mr. Ballard has submitted in his behalf. The pension will be paid from 13th January 1865.-

3. The Governor in Council is also pleased to grant to Thondikolom Gramom Someshwara Iyen, late Sheristadar in the Kurumbranad Talug, a pension equal to a moiety of his average pay for the last 5 years, or Rs. 24-0-0 per mensem from the 1st June 1865 - and to Madapur Krishna Rayer, Gumastah of the Beypore Salt

Salt

Salt Golla, a pension averaging 1/3rd his pay for the past 5 years, viz: Rs. 7-12-0 - The Govt. are unable to grant to this latter individual the higher rate of pension recommended by the Collector, since he served in a menial capacity between 1831 and 1839, and held only an Acting post from 1860 to 1863 - Krishna Rayer's Pension will be made payable from the 12th June 1865 from the Coimbatore Treasury as requested.

4 The application of Kakara Raman Menon will be disposed of on receipt of a reply to the reference which has been made to the Collector of Malabar regarding him.-
