A. le Sandappa Pillai, late Sheristadar on the
Establishment of the Principal Sadr Amni's
Court of Tanjore -

I have found the sheristadar in
the anomalous position above in-
dicated, and direct that he takes
charge of the civil business of the
Court -

Sub Judge

During the four months of my
incumbency in this Court, I have had no
reason to be otherwise than fully satisfied
with the manner, in which Sandappa Pillai
has discharged the duties of his office
as sheristadar. He is an eminently good

public servant, possesses great probity
of character, and from the experience
he has acquired in the public service
I have no reasons to doubt his fitness
for even higher office than he now
holds.

30th October 1862 (Signed) J. Ballard
Agst Amin.

Sheristadar has given me satisfac-
tion in the discharge of his
duties, particularly in verifying
stamps, and in the receipt and dis-
bursement of money.

P. Sadr Amin.

Sheristadar has rendered me
much assistance in conducting the
duties of the Court in general during

the 57 months I have been in charge of
it, and I wish this veteran public officer
promotion to higher grades, which in
my humble opinion, he deserves from his
experience and uniform good conduct
for more than quarter of a century he
has been in service.

Sheristadar has given me satisfaction.

Respected Sir,

I have the honor to state that
in obedience to the Courts orders I have obtained
my Pension certificate, and the arrears of Pension
due to me according to that certificate up to the end
of the last month at the rate of 40 Rupees per mensem.

For this favour I am truly thankful. —

My pension appears to have been
calculated only with reference to the remarks made
by Mr. Innes in 1858, in the late Sub-Court Register
of services, without consulting the testimonials re-
-garding my conduct, character and efficiency sub-
-sequently recorded by the several officers, who
have presided in the Pril. Sud. Amin's Court.
Had these testimonials also been laid before the
Government at the time your honor recommended
me for a pension, the Authorities would have
