Sir,

Referring to the Proceedings
of Government N^o. 135 dated the 23rd of April
1866, I have the honor to report that my
predecessor Mr. Mc. Donnell, while submitting
applications for Pension on behalf of the
three individuals preferred to, seems to have
expected to receive the Government sanction
by the end of January last, and with this
impression he probably proposed 1st of February
1866 as the date on which Pension should
commence; the incumbents were allowed to
continue in their respective appointments
until final orders from Government were

received

received.

2. The Proceedings quoted above
granting Pension were received just at the
close of last month. The parties were
relieved of their several charges on the
1st Inst., the Pension therefore should actually
commence from this latter date. (1st May 1866.)
