Acting Secretary to Government

Sir,

Madras

With reference to the order of Government dated the 27th February 1864 No 284 communicated with Honorable Mr. Pelly's Proceedings No 1083 of the 19th idem, requesting to submit to Government applications in the prescribed form for pensioning the Poms who were discharged after rendering 30 years service in consequence of reductions in the establishments, I have the honor to state, that all the particulars required for the preparation of applications in the prescribed form are not to be found in the records of this office, though a careful search has been made, in consequence of the papers connected with the Service of the Poms not having been preserved, evidently owing to the fact that the Poms are not entitled of right to pension.

I therefore beg to submit a list showing the names of the Poms, the dates on which they were entertained and dismissed from Government employ, the amount of pay, and the total period

of their service, and request that the Govern-
ment in consideration of the difficulty of pre-
paring the applications in the prescribed form
for want of necessary particulars, and the hard-
ship to which the families of this class of servants
were subjected to by the sudden abolition of their
work, will be pleased to sanction the compassionate
allowance of Rupees $2\frac{1}{2}$ each to all the ab-
olished servants enumerated in the list in reference
to the Proceedings of the Government of India
dated the 11.th December 1863.

Take the same opportunity to submit
another list showing the names, Service, & pay of
of all those Peons who have served from 20 to 30 years
and request that gratuities equal to six months
pay of each of them may be sanctioned.

I have the honor to be,

Sir,

Yours most obedient servant

In reply to your official
Despatch of the 19th Ultimo No: 116, I have
the honor to inform you that on the
receipt of Government order instructing
the Collector to recommend for
the Compassionate monthly allowance
of Rs: 2 1/2, the Peons who were thrown
out of employ in the late revision
of Revenue Establishments, after
completing a service of 30 years
and upwards, most of the Peons
laid claims for compassionate
allowance instead of gratuity,
on the ground that they have
completed the above mentioned
period

period of service. It was with
great difficulty that their actual
period of service was ascertained
from the monthly pay lists deposited
with the old records. No other accounts
showing the actual period of service
of Peons are prepared because they
are not allowed any pension as in
the case with other classes of servants.
The search for their pay list occasioned
the delay.

None of the peons recommended for
gratuity have since obtained
employment.

Sir

With reference to the Acting Deputy
Accountant General's letter of the 12th October
last N^o 2451 calling for certain explanations
with regard to the Peons who were recommended
for gratuity, I have the honor to inform you that
prior to the late revision of Revenue Establishments
2 distinct classes of brass badged peons were
maintained, one was called Revenue peons
and the other Police peons; both these classes
were employed under the Collector as well as
Tahsildars. Revenue peons used to perform
strictly revenue duties, and Police peons the
duties connected with the Magisterial branch.
In the late revision of Revenue Establishments
the whole class of Police peons was done away
with as the Police Constabulary took their places.

N^o 77 of the List was a Revenue peon
borne on the Collector's List but attached to
the Post Office for delivering letters. In the late
revision that Peon along with other Revenue
Peons lost his post.

N^o 84 was originally appointed as
Dundassie under the late Head of Police (now
called Sub. Magistrate) of Chicacole on the 8th
January 1840 and on the 1st May 1852 promoted.

as Cutwall's Peon of the same station. On the 5th February 1855 he was transferred as a Peon under the Peshcar of the Polahy Estate.

This Estate reverted to Government in the year 1852 in satisfaction of arrears due by the late Proprietor and now forms a portion of the Chicacole Taluk.
