Service qualifying for pension			Average of Salary for the last 5 years.	Remarks
Years.	Months.	Days.	R. S. D.	
24	4	9	49-4-0	Service from 1844 is undoubted; therefore qualifying service of more than 15 years is proved and a pension of 16-4 corresponding to 1/3 average pay of past 60 months can be granted. Collector explains that at present degradation in 1860 was the consequence solely of a reduction of establishment. There is no precedent for a man being allowed to refund gratuity after so long a time: he has been enjoying the interest of the money all this time, & has further been so far secured against fortune; if he was dismissed for misconduct or died he had the gratuity safe, whereas had he refunded it at once on re-appointment he would so far have given hostages. The alleged service under the Commissioner cannot be traced for nothing is known of the office that under the Mogul Govt. is still less traceable, not is it known that this could give him any claim; a precedent indeed is quoted but of 1858, and rules have been much tightened since that time.

Disc. Gorr - Memo No 2814 dated 30th Oct 1865.

1. The application for Pension on behalf of Sooba Dow, returned by the Acting Deputy Accountant General on the 30th Oct 1865, last, is re-submitted, the names of Patoko in which he held office as Sheristadar and Brad Gommastah being filled up as requested.

2. The exact dates of service under the former Ternool Government cannot be furnished, but it is known on the evidence of respectable persons in Ternool, some now in Government employ, that he was employed as a Moonshee Gommastah for nearly ten years in which post he was continued on the re-occupation of the District by the English authorities.
