The papers noted in the margin are resub-

Memo No. 316 of 20th April last.

The cause of delay in recommending
the claim of Annasayam Pillay for Pension has
been in consequence of the original Roll,
which was received from Major Farewell the
previous Engineer in charge of the Neilgherry

I do hereby certify that I have personally
examined Arumugam Pillay, Sub-Overseer of
the Engineering Department at Ootacamund,
and find that he is suffering from Oedema &
varicose state of the veins of the right leg, inter-
nal hemorrhoids of some years standing, and
from occasional Epileptic fits, which have
not been occasioned by intemperance or other
irregular habits; and as he is not likely to
derive permanent relief from further medical
treatment, I am of opinion that he is unfit
for further permanent duty and recommend
him to be pensioned.

Sir

In returning the papers which
accompanied your letter of the 1st
ultimo No. 57, I have the honor to
inform you that a reference to the
records of my office shows that
Armozam Pillay, the individual
alluded to, was not included
in the list of Maramut Establish-
ment belonging to the Collector's
Department. It appears that
he belonged to the Military De-
partment as a Maramut mai-
stry on the Neilgherry Hills,
drawing his pay from the Military
Paymaster at Trichinopoly

on

on monthly Abstracts sent to that
functionary by the Military Command-
ant at Ootacamund, but doing
duty under the orders of the
Collector in looking after Public
works on the Hills. With a view
to ascertain the actual period
of his service as maistry, I wrote
to the Special Assistant Collector
at Ootacamund, and in reply
he informs me that he is
unable to afford the required
information as the records of
the Military Department had
been destroyed at the time of
the abolition of the Commandant's
office. I would therefore suggest
the advisability of your writing
to the Military Pay Master
at the Presidency, who
will perhaps be able
to give any information
on

on Arumagan's Services from the
records of the late Military
Pay office at Trichinopoly.

Sir,

In returning the letter from the
Acting Deputy Accountant General, forwarded
under your docket N^o 169, dated 15th May 1866, I have
the honor to state, that it does not appear from the
records of this Department that Pay for a Marambat
Mistry is charged in the Disbursements of the
Paymaster Trichinopoly either prior or subsequent to
1854; but I would suggest that the Cash Book of
the above Paymaster on record in your Office be
examined in order to ascertain if Pay for the Mistry
is entered therein as a charge against the Civil
Department.
