SIR,

With reference to the Proceedings of Government 9th June 1866 No. 217 I have the honor to observe that the same special grounds exist for recommending the five Vaccinators for pension named in my letter No. 69 of 22nd February 1866 as did in the cases of the two alluded to in para. 2 of the extract from the Proceedings of Government furnished to me, viz that in addition to long and good service, they have, consequent upon the reorganization of the vaccine department lost the privilege which formerly existed, to bring in a relation to the vaccine department when they retired.

I have the honor to be,
Sir,
Your most obedt. Servant,
Cat Shaw

From the Offg Princl. Inspector Genl. Medical Departt. } Here enter 13th June 1866 No. 214

Order thereon 26th June 1866 No. 238.

The Right Honble the Governor in Council does not consider that the reasons adduced by the Princl. Inspector Genl. Medical Departt. in favour of the grant of Pension to these five Vaccinators are sufficiently strong to justify an extension of the rules to their case and accordingly he declines to make a special recommendation on their behalf.-

2 It is observed that

that the grounds on which the application is based would apply equally to the case of Vakeels, peons, & other classes of servants ~~the~~ whom it has been thought fit to exclude from the privilege of retiring upon pension.-

3 The Governor in Council therefore sanctions the grant of the gratuities to which they are entitled to the 21 individuals ~~whose names~~
