Proceedings of the Madras Government, Pension Department,
27th June 1866.

Read the following papers:—

From the Collector of South Canara, dated 19th April 1866, No. 15.

Report of the Acting Deputy Accountant-General, dated 2nd June 1866, No. 49.

ORDER THEREON, 27th June 1866, No. 240.

It is observed that the applicant's service up to 10th March 1859 was passed upon a village establishment, and does not therefore give him any claim to pension.

2. His subsequent service of six years, nine months, and twenty-four days would entitle him to a gratuity of six months' pay under the new rules were it not for the break which occurred in 1865 when he was absent from duty without leave.

3. The Governor in Council is, however, unwilling that Mahomed Jamal's long service should go unrewarded, and accordingly resolves to call upon the Collector of South Canara to report whether there was anything in the circumstances under which the applicant was absent without leave which could be considered as mitigating this defect in his service.

Certified that I have carefully examined Mahamad Jamal Sub-Magistrate of Karkal, and am of opinion that he is incapacitated by age and infirmities for the performance of his duty.

I further certify that to the best of my judgement his incapacity is not the result of intemperate or irregular habits.

			50	0	0	The applicant seems entitled neither to pension nor gratuity. The Collector himself dismisses the service before 18th June 1850 as worthless, and admits that later employment as extra road peshcar, an unknown temporary appointment, does not affect his claim; which here depends solely on the propriety of counting for pension the years spent on the Co Village establishment whereto he continued attached even while employed as road peshcar. Two instances are Co quoted of pensions granted to men on like establishment; I submit that the claim is more than questionable. Claim to pension can, it seems, be acquired only by service on an establishment permanently sanctioned, against the Imperial Revenue, in detail, whose details cannot be changed without authority of Government, for which a nominal roll is submitted to me yearly, and a monthly bill in detail for audit: this establishment is paid from a lump sum and no report is ever made to me of the details nor are the details in any way known to me; such persons seem more like the putwarees & lumbordars (Village accountants and heads) of upper India than any thing else. The service alleged from 11th March 1859 is undoubted, & this would suffice to give a gratuity of six months pay, but for the break in 1865; the man was absent without leave for more than a month, had he deserved privilege leave to this extent he would have forfeited his appointment, & be held to have resigned it: and there can be no ground for more indulgence in a less justifiable case. The imperfection of the medical certificate is explained by the Collector & defended by arguments already disapproved by Govt.—

From
W. M. Cadell Esqre
Collector of South Canara.

To
The Accountant General
Madras.

Sir,

With reference to your Acting Deputy's letter, dated 5th instant, No 104, I have the honor to state that the post of "Moneyar of Cadaba in Buntwal" which was held by Mahomed Jamal, the applicant for pension, between the 19th June 1850 and 23d October 1856, is borne on the Village Establishment, and not on the general Establishment, of the District. The applicant's service in that post is sufficiently borne out by the monthly Barawards, or Pay Abstracts, for the periods during which he was so employed.

2. Employment on the permanent Village Establishment of the District, and in situations the salary of which is above 10 Rupees, has hitherto, in several instances, been admitted by Government as service qualifying for pension, and the cases of the *Servants noted in the margin furnish recent instances

instances of such admission.

3. The applicants occasional employment as Extra Road Peshkar of Munzerabad was only a temporary arrangement, and in no way affected his substantive appointment as Monegar of Cadaba on the Village Establishment in which his name was retained as the permanent incumbent. I, however, find that the entry in this respect in the Statement was wrong, and that it should have been "Monegar of Cadaba doing duty as Extra Road Peshkar of Manzerabad" instead of simply as "Extra Road Peshkar of Manzerabad". I now beg that this slight alteration in the Statement may be made in your Office, or the said Statement returned to me for revision.

4. With regard to the informality in the Medical Certificate, I beg to explain that previous to his retirement from the service, the Applicant was employed as a Sub Magistrate at Nileshwar, one of the Southernmost Stations of the District, and about 47 miles from Mangalore, and under the existing rules for providing Substitutes during the absence of Officers invested with Magisterial Authority

(6)

Authority, and which necessitate a previous reference to Government on the subject, it was impossible to have permitted the Applicant to absent himself from his duties for the purpose of undergoing medical treatment at Mangalore, without seriously impeding the Magisterial Work of his division. I trust therefore that, under these circumstances, and also considering the age of the Applicant, Government may be disposed to dispense with the above formality in the Medical Certificate, and, if necessary, I beg that this my explanation may be forwarded to them for their consideration.

I have the honor to be,
Sir,
