No 134

I Charles Murray Duff M.D.
Surgeon Major 3rd District, do hereby certify
that Mr. M. H. Plunke, aged 53 years, of the
Revenue Survey Department, is suffering from
permanent weakness of the back and spine,
the result of an injury sustained some time
ago when attempting to raise a heavy weight,
also from general debility with a falling
off in flesh; constipation, Piles, deafness,
inability to walk or ride any distance and
a painful amount of mental depression.

He has been under regular
medical treatment for the last month, and
deriving no permanent benefit therefrom
and as he is not likely to do so, I am of
opinion that he is worn out from length of
service and long exposure to a tropical climate
and is unfit for any further active service,
and that the above state of health has
not been caused to the least of my
belief by intemperance or irregular habits.

Madras,
5th Sept. 1865.

Charles Murray Duff M.D.

3rd District.

Confirmed by the Standing Board of Medical Officers at the Presidency on the
7th September 1865.
