I do hereby certify that I have examined Mr. P. B. Mainhouse Superintendent of Correspondence in the Administrative Department of the Commissariat Office and find that he is suffering from general bad health the result of a broken down constitution, and from chronic inflammation of the eyes which has seriously impaired his sight, and that he is thereby incapacitated from further effective service, and I do declare that to the best of my belief, this disqualification has not been occasioned by intemperance or other irregular habits.

I also certify that Mr. P. B. Mainhouse has been under regular Medical treatment for a period of 12 months.

To,

The Chief Secretary to Government.

Sir,

Madras
Fort St George.

I have the honor to forward an application for Gratuity for Mr W. R. Hamhouse 1st Class Clerk in this Office for the favorable consideration of Government.

2. Mr W. R. Hamhouse entered this Office on the 22nd April 1857 and has served in it uninterruptedly to the present time. For some years his health has been gradually failing, and within the last few months it has become so completely broken, that he has been compelled to relinquish the hope of serving the few more years which would have entitled him to a pension, and to request permission to retire with the usual gratuity.

3. As Mr W. R. Hamhouse's conduct has been unexceptionable, and as he has been a good servant to Government, I trust he

I granted the full gratuity of twelve months
pay. - He wishes to retire from service next.

I have the honor to be
Sir

Your most obedient servant
