With due respect and submission
I beg to submit the following few lines for your
favorable consideration and transmission to
the Principal Inspector General with your
kind support.

I was employed as Assistant
Purveyor in the General Hospital till the
31st October but owing to the introduction of
the steward system I was thrown out of my
situation. - Previous to my appointment
to the General Hospital on the 26th March
1859, I served Government as follows.

In 1856 I was entertained as temporary
clerk in the Commissary General's Office.
On the 6th October 1858 I was appointed as
Assistant Comissary to the Detachment of
H. M. 4th Regiment L. I. at Polikarny
on the 24th December 1858, I was posted as
Purveyor to the Eye Infirmary & Lying in
Hospital, and from thence I was transferred
to the General Hospital on the 26th March
1859, as above stated. During this period of nine
years

years continued service, I have given every
satisfaction to my immediate superiors and
executed my duties with honesty and faithfulness
as will be evident from the enclosed sub-joined
copies of Testimonials.

I beg to state that by such an
unexpected removal from service I have been
left quite destitute of any means for my livelihood
and to taste the bitterness of misery and
wants - I therefore request that you will be
graciously pleased to recommend me to the
Principal Inspector General to obtain for me
a Donation from Government according to
the rules of the Unconvenanted Service Published
in G. O. of 1864, Page 284 Paras I and II
under head "allowance of Retirement -"
