Respected Sir

With due deference and
submission, I humbly beg to represent
that I am still suffering with chest pain,
besides which as I wrote, some of late,
that my left eye is becoming dim, and
feel unable to resume my duties in the
office. I therefore beg to enclose a Medical
Certificate, and humbly beseech that your
goodness will be kindly pleased to
recommend me to Government for half
pension under the New Rules for the
Unconquered Service, as I have more
than 25 years service. I here humbly
beg to bring to your kind notice, and
for the benevolent consideration of
Government, that since my disengagement
in the Government Agent's office in 1846
I have always worked very hard and more
especially during the late Agent Surgeon
Major Balfour's time, (as will be seen
by the enclosed)

Aug 20/66

by Extracts from his own
letters &c in the margin)
in the clearing of the
Books of the Stipend
Department, &c, and in the
framing of repeated
Sheets and continuous
Lists of all existing
Stipendaries. And
after the Nabob's
death, my labours
very much increased.
And I have been
confident in my
fidelity, and
that he selected me
and referred me to
attend his Residence
for many days to
prepare his several
Private Memoranda.
Regarding the Prince
and his claims to the
Mansab, which Sir
Halifax forwarded
direct to Government
without being recorded
in the office - By thus
working hard, I humbly
beg

29 January 1856.
Mr. Crease
I am very sorry for your
sake, and indeed for the office, for you
being the only European in it, much
naturally depends on you. I do not
interfere with the Sick Certificate,
and which I have no power, but I
must have liked you to remain
in Madras and have come for
at least once in 2 or 3 days to
set them all right. My sitting
however have nothing to do with your
Sick Certificate and I hope you will
feel improved by the change.
Yours faithfully
E. H. H. H.
21 March 1856.
Mr. Crease
I was sorry for your sake
to learn that you had been ill again.
Indeed I observed you gradually
becoming unwell myself. Aware of
the loss that even a small deduction
from your pay would be, as well as
conscious of the laborious manner you
thoroughly carry on your duties, I never
thought of employing a substitute and
will hope for your own sake, to learn some
good remedy.
You must allow me to tell you that
you work too hard - You are bound to
supervise your subordinates and thus to
diminish the whole work in the office.
I hope the pleasure which I have been
pursuing will, in the course of a short
time, more greatly diminish the whole
of the duties. And give you all more
rest.
When you feel able to visit the
office for an hour a day, your presence
to see that things are progressing properly
working hard, I humbly
beg
Yours faithfully
E. H. H. H.

Mr. Crease
"You have been a hard
working servant of the State &
you work terrifically."
Signed E. H. H.
I beg to submit, that my
health and sight became
affected, and I was on
some occasions obliged to
obtain sick leave, but in
tender consideration of
the foregoing Circumstances
which induced me to take the leave, I
humbly beseech that the benevolent
British Government will kindly grant
me a half pension, to enable me to
procure the necessary wants of an
impairing old age.
I further beg to state that I have
also served Government for a period of
7 months in the late Medical Board
Office, as per Inclosed Testimonial, which
I enclose herewith, I beg to submit for the
favorable Consideration of Government.
In Conclusion I humbly wish
that this my application may be forwarded
to Government, with your favorable
Recommendation for half pension; for
which Act of benevolence, I shall always
pray to the Almighty for your good
health and prosperity.
I beg to remain
Respectfully,
Your most obedient servant,
E. H. H.
