These individuals have
served as Deans in the Salt
& Layer Departments and were thrown
out of employ by the introduction of
Mr. Kelly's new scale of Establishment.
Their services extend to upwards of 30
years & as they have always borne
a good character, the Collector has
recommended each of them for a
gratuity equal to 6 months pay
& which they are entitled under
the rules. I was at first
thought that these individuals
were entitled to a compassionate
allowance and one of them
Sydney even was accordingly
recommended, but the Examiner
of Claims having only recently
decided that he is not entitled
to any such allowance
they are now recommended
for gratuity and hence the delay.

The Review of them on so small pay cannot be verified from the Records of this Office but Approving the Collector's Statement to be correct, the gratuity set opposite to their respective Names in Column 9 was to be granted.

The Cause of delay in the submission of Application is explained by the Collector in the Column of Remark in the No. 2 of Appⁿ for gratuity dated 19th March 1861.
