dated 21st ult.

The undersigned has the honor to say he will not dissent from the calculations of para 1 and therefore admits that the applicant has served more than 25 years and can get half pay pension.

2 With reference to para 2 he has to say that in calculating the average pay of the past 5 years the actual pay of the permanent post holder has to be noticed, not the less amount drawn by the applicant by reason of his absence on authorized leave. On this principle a case was decided by this Government on 9th September 1864 No. 375; it accords with a ruling of Supreme Government (Financial Department 2719 dated 30th September 1864) which has not been circulated. But it will be observed that though these rules must be observed in calculating actual average pay, Government is in no way bound in any case to give maximum pension, and therefore has ample power

0 2226

power to make any reduction it may see fit on account of protested claims.

This is to certify that Gomastah Gorrindai Rao
 of Induramam Taluk is suffering from Chronic Paralysis
 of the left side, and that in my opinion he will never
 be again fit for active service. He has been under medical
 treatment at the Civil Dispensary. Disease contracted
 on general service not the result of his own imprudence.

The Pension application and
Medical Certificate of Govinda Row
Gumasta in Indivannum Taluq
are herewith resubmitted with
the particulars of height and age
inserted in No 15 of the former
document. It will be seen also
that a Certificate has been appen-
ded at the foot of the application to
show that no gratuity was drawn
by this individual. In 1860 he was
not dismissed, but was thrown out
of employ by the reduction of Esta-
blishments in consequence of the introduction

of the new scale.

The Certificate granted by
Dr. Bilderbeck in the first instance
was founded only upon an
inspection of Govinda Row;
but on the receipt of your letter
under reply, he has been taken
under medical treatment at
the Civil Dispensary and a
Certificate was granted only
on the 26th Instant. Hence the
delay in disposing of this case.

name is entered as 4th Loomastah
in Chellumbaram Talook, and in
the Lists for 1861/62 and 1863 as 4th Loo-

If the Copies of these Lists sent to

above statement as they ought
to do, the difference is unaccount-
able. The April Lists for 1856
and 1858 are not forthcoming
in my Office records, and there-
fore his Service in those years
cannot be checked by the Lists.

But the details of Govinda Row's services as entered in the Register of Application submitted from this Office and in letter No 52 dated 13th April last, were taken from the Monthly Pay Bills received from the Talookdars and cannot therefore be incorrect.

2 One point in connection with the salary of Govinda Row requires explanation. The pay actually drawn by him from March 1856 up to February 1857 was only Rupees 10 though his full pay was Rupees 10½. The difference 8 Annas was disallowed to meet the charges of the Printing Establishment. The practice of making deductions from salaries on account of the Printing Establishment continued up to February 1857, when under instructions from Government the sums disallowed were refunded. Thus from March 1857 up to 24th October 1860 his pay was erroneously entered in

in the April list as Rupees 10 instead of his full salary Rs 10½ -

THE Under Secretary to
Government, Pension Department,

is directed to return the accompanying papers relating to the pension of Gounda Rowaiah Gummastab in South Arcot - to request the Dy. Accountant General's reconsideration of his report with reference to the following remarks.

1. The Collector of South Arcot in his letter to the Dy. Accountant General W. G. of 21st May '66, states the deductions made from the applicants pay between '56 & '60 were refunded: in this case the applicant was not ~~entitled~~ in

a part of which the pay was
10/3 but actually (the net at
that time) drew pay to that
amount during those years.
Certain Proceedings of Govt.
relating to those deductions
are forwarded with these
papers.

2. Sick leave for more than
two(?) years continuously - the
applicant was absent from
15th Sept 1863 to 31st January 1866 - it
appears cannot under any
circumstances count as service.
Ergo the pay drawn under
such circumstances cannot be
counted in calculating the
average for pension.
