Proceedings of the Madras Government, Revenue Department, *14th July* 1865.

No. 247. Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Kurnool, 7th July 1865, No. 27 :—

SIR,

1. I have the honor to reply to the Proceedings of the Government, Revenue Department, under date the 23rd June 1865, No. 1,422.

2. With reference to paragraph 2, I find on referring to the Mahratta lists of persons who received compensation for loss of service under the late Nawab in 1839-40, there are three names only which correspond with those of any of the Peons who lost their places at the reduction of Establishment in 1860. I do not, however, believe that they are the same individuals, as such compensation was not given to men who obtained immediate employment under our Government.

3. With reference to the case of Shalee Saib, I beg to bring to notice that the employment of boys as Peons under the Nawab's Government was common; such places having been considered hereditary to a great extent; I do not however consider this person entitled to pension, and regret that his very doubtful claims were overlooked by me when sending up the list.

4. With reference to paragraph 4, I beg to state that the ages of [illegible] applicants for pension were tested in my office, when their [illegible] prepared. Their statements were checked not only by th[illegible] often delusive, but by the personal knowledge of m[illegible] Sawat Sing, the Duffadar of the Collector's Dhelayets, who [illegible] 33 years in the Nawab's service.

5. As I only came to the District in 1860, and the reductions took place in that year, it is difficult for me to explain how several aged men had been kept on as Peons, as there was a large number then allowed for each Talook, it is possible that old men were not superannuated so strictly as would now be necessary. With reference, however, to the case of Yektiar Sing, aged 83, I can state that this man is still hale for his age, and was qualified to perform his duties up to the date of his reduction.

6. As a similar instance of hearty old age, I may refer to my Duffadar Sáwat Sing, abovementioned, who has served 59 years under the Nawab's Government and our own, who states himself to be 77 years of age, while he has not the appearance of being 50, and who can ride or walk twenty miles with any young man in the Cutcherry.

7. I must finally explain that the term Kurnool Choultry was applied to the office of the Police Ameen of Kurnool, and I overlooked the misunderstanding to which the peculiarity of the title might give rise.

8. I beg to add that no opportunity for the re-employment of fit men, thrown out of employ at the reduction, has been past by, but very few vacancies have occurred since that period.

No. 248. ORDER THEREON, 14th July 1865, No. 1,624.

Miscellaneous.

Transferred to the Pension Department with the former papers on the subject.

Proceedings of the Madras Government, Revenue Department, *23rd June* 1865.

No. 517. Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Kurnool, 9th June 1865, No. 22:—

SIR,

1. I have the honor to forward applications in the prescribed form for pensioning the Peons discharged in consequence of reductions in the Establishment, as directed in the Government Order, dated [illegible]7th February 1864, No. 284, according to the list herewith forwarded.

2. It will be observed that all the Peons reduced in Kurnool proper had only 21 years' service at the date of their reduction, they having been transferred from the service of the late Nawab, on the assumption of the District in the year 1839. Including their periods of service under the Nawab's Government, all these men have served beyond the requisite period of 30 years to entitle to pension.

3. As from old age and infirmity few of these men are now able to work for a livelihood, I trust that the bounty of Government will be extended to them, as well as to the other servants of their class who have had the good fortune to be employed in the Talooks which have not so recently come under our rule.

No. 518. ORDER THEREON, 23rd June 1865, No. 1,422.

Miscellaneous.

1. With this letter the Collector of Kurnool submits a list of Peons discharged in consequence of reductions in the Establishments, and recommends the grant of pensions to them. These men had only 21 years' service at the date of reduction; but Mr. Minchin considers them deserving of the favorable consideration of Government because, including their service under the Nawab's Government, all of them have served beyond the requisite period of 30 years, and as from old age and infirmity few of them are now able to work for a livelihood.

2. Before passing further orders on this letter, the Government resolve to request the Collector to state whether there are not among the Peons of Kurnool proper, men who received compensation of some kind for loss of service under the late Nawab, when the territory was resumed in 1839-40.

3. The first case* in the list requires explanation. The service of a boy of 14 years of age cannot be deemed service of a kind entitling him, now a man of only 35 years of age, to a compassionate allowance. Mr. Minchin will report why a man of that age was not provided for on the occurrence of vacancies, which must have been numerous, since the reduction of the Establishments.

4. The Collector will be further requested to report how he has ascertained the ages of the large number of men entered in his list: whether he has rested content with the Tahsildar's reports, or whether he or one of the European Officers of the District has seen the men, and satisfied himself that in regard to age there has been no exaggeration or concealment. If no such precautions were taken, the Collector will satisfy himself by his personal inspection, or that of one of his Covenanted Assistants, whether these men really are of the age they represent themselves to be.

5. Mr. Minchin will explain how several men aged between 70 and 75, and one (No. 14, Nandikotur Talook) of the age of 83, came to be kept on as Peons. He will also explain in what sense service in the Kurnool Choultry can be deemed Government service in the regular Departments.

Vide. Your Office letter No. 5494 dated 15th March 1866

The Collector has the honor to return the list of Peons applying for Pension under the order of Government dated 17th February 1864 No. 284, having as requested, added a Column shewing their length of Service under the late Nawabs of Kurnool.—

The Collector regrets that he cannot procure the affidavits called for by the Examiner of Claims, as the late Peons are scattered over the District, and to attempt to go through this formality would take up many months, and involve much waste of time & labour.—

The subject of their Service under the Nawabs has been brought fully to the notice

of

of Government in the Collector's letter to Government dated 9th June 1865 No. 22.—

Enclosure one

Returning the List of Peons applying for pension with certain observations

Recd 14/6/65

Proceedings of the Madras Government Revenue Department 23rd June 1865.

No. 517. Read the following letter from J. I. Minchin Esq Collector of Kurnool to W. Hudleston Esqre. Acting Secretary to Government Revenue Department Fort Saint George dated Kurnool 9th June 1865 No. 22:—

Sir

1 I have the honor to forward applications in the prescribed form for pensioning the peons discharged in consequence of reductions in the Establishment as directed in the Government order dated 17th February 1864 No. 284 according to the list herewith forwarded.

2 It will be observed that all the peons reduced in Kurnool proper had only 21 years' service at the date of their reduction, they having been transferred from the service of the late Nawab on the assumption of the District in the year 1839. Including their periods of service under the Nawab's Government, all these men have served beyond the requisite period

of 30 years to entitle to pension

3. As from old age and infirmity few of these men are now able to work for a livelihood, I trust that the bounty of Government will be extended to them as well as to the other servants of their class who have had the good fortune to be employed in the Talooks which have not so recently come under our rule.

No. 518. Order thereon 23rd June 1865 No. 1,432.

Miscellaneous

1 With this letter the Collector of Kurnool submits a list of peons discharged in consequence of reductions in the Establishments, and recommends the grant of pensions to them. These men had only 21 years' service at the date of reduction: but Mr. Minchin considers them deserving of the favorable consideration of Government because including their service under the Nawab's Government, all of them have served beyond the requisite period of 30 years and as from old age and infirmity few of them are now able to work for a livelihood.

2 Before passing further orders on this letter, the Government resolve to request the Collector to state whether there are not among the Peons of Kurnool proper, men who received compensation of some kind for loss of service under the late Nawab, when the territory was resumed in 1839-40

3 The first case* in the list requires explanation.

*Shakee Saib

The service of a boy of 14 years of age cannot be deemed service of a kind entitling him, now a man of only 35 years of age, to a compassionate allowance. Mr. Minchin will report why a man of that age was not provided for on the occurrence of vacancies, which must have been numerous since the reduction of the Establishments.

4 The Collector will be further requested to report how he has ascertained the ages of the large number of men entered in his list: whether he has rested content with the Tahsildar's reports or whether he

or one of the European Officers of the District has seen the men and satisfied himself that in regard to age there has been no exaggeration or concealment. If no such precautions were taken, the Collector will satisfy himself by his personal inspection, or that one of his covenanted Assistants, whether these men really are of the age they represent themselves to be.

5. Mr. Minchin will explain how several men aged between 70 and 75 and one (No. 14 Nandikotkur Talook) of the age of 83, came to be kept on as Peons. He will also explain in what sense service in the Kurnool Choultry can be deemed Government service in the regular Departments.

Sir

Sir

1 I have the honor to reply to the Proceedings of the Government Revenue Department under date 23rd June 1865 No. 1422.

2 With reference to Para 2 I find on referring to the Mahratta lists of persons who received compensation for loss of service under the late Nawab in 1839-40, there are three names only which correspond with those of any of the Peons who lost their places at the reduction of Establishment in 1860. I do not however believe that they are the same individuals, as such compensation was not given to men who obtained immediate employment under our Government.

3 With reference to the case of Shalee Saib, I beg to bring to notice that the employment of boys as Peons under the Nawab's Government was common: such places having been considered hereditary to a great extent. I do not however consider this person entitled to pension and regret that his very doubtful claims were overlooked by me when sending

up the list.

4 With reference to para 4 I beg to state that the ages of all the applicants for Pension were tested in my office, when their certificates were prepared. Their Statements were checked not only by their appearance which is often delusive, but by the personal knowledge of most of them held by Siwat Sing the Duffadar of the Collectors Dhelayets who was himself 33 years in the Nawab's service.

5 As I only came to the District in 1860, and the reductions took place in that year it is difficult for me to explain how several aged men had been kept on as Peons. As there was a large number then allowed for each Talook it is possible that old men were not superannuated so strictly as would now be necessary. With reference however to the case of Iektiar Sing aged 83, I can state that this man is still hale for his age and was qualified to perform his duties up to the date of his reduction

6 As a similar instance of hearty old age, I may refer to my Duffadar Saivat Sing above mentioned who has served 59 years under the Nawab's Government and our own, who states himself to be 77 years of age while he has not the appearance of being 50, and who can ride or walk twenty miles with any young man in the Cutcherry.

7 I must finally explain that the term Kurnool Choultry was applied to the office of the Police Ameen of Kurnool, and I overlooked the misunderstanding to which the peculiarity of the title might give rise.

8 I beg to add that no opportunity for the reemployment of fit men, thrown out of employ at the reduction, has been past by, but very few vacancies have occurred since that period.

I have &c.
