MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Quarter Master General, Fort Saint George, 9th January 1865, No. 244 :
to the Secretary to Government Military Department.

I have the honor, with reference to the Proceedings of Government, No. 2539, dated 28th October 1859, to report that I have suspended Mr. D'Roque, a Clerk in my Office, from his employment, from the 24th November 1864.

2. In forwarding his Schedule, as also copy of the decision of the High Court thereon, I have the honor to state, that I have carefully considered all the circumstances which have brought Mr. D'Roque into this difficulty, whatever may have led to indebtedness previous to 1855, I can find no trace of undue expenditure since that time. On the contrary, it appears to me, that his debts chiefly arise from having had to renew his Bonds in order to secure his sureties from the consequences of his non-payment of the sums borrowed, such renewed loans having been raised at 60 per Cent.

3. His personal expenditure since 1858, has been moderate for a man with a wife and four children, and he has struggled hard, to extricate himself.

4. There is nothing to shew that anything affecting his character for rectitude has been committed; and considering that he is an excellent public servant of 18 years standing in my Office, I strongly recommend that he be restored to his former place.

ORDER, No. 157, 16th January 1865.

The Governor in Council sanctions the re-employment of Mr. D'Roque, Clerk in the Quarter Master General's Office; subject to forfeiture of arrears of salary while under suspension.

In accordance with instructions from the
Principal Inspector General, Mr. C. I. Roques
has been kept under medical treatment and
observation for two months, during which
he has been taking Fish-liver oil and
-ture Camphor (Comp) internally, using warm
Coconut oil byunction externally, but
he has continued to lose flesh and weighs
now 17 pounds less than he did two
months ago. Under these circumstances
I can but repeat my opinion that Mr.

Phthisis Consumens
 Mr. C. D'Rogue at 39
 Clerk Quarter Master General's Office
 Temperament Phlegmatic
 Stature Temperate

Mr. C. D'Rogue has betrayed symptoms of pulmonary disease for more than a twelve-month, during which time he has failed much in flesh and in strength, and after having been a hard working and trust-worthy clerk for some years in his office, has become inefficient and almost useless. He now suffers from cough, night perspirations, some relaxation of the bowels, and progressive emaciation and debility. There is distinct dulness on percussion below the right clavicle, and a hollow above it, while with the stethoscope respiration is found rough, and on the back of the chest expiration is distinctly prolonged. The cardiac sounds also are heard with peculiar dissonance on the right side of the chest. Mr. D'Rogue has just returned from two months' leave to Palanacum, but he is quite unfit for work, and will never, I fear, be efficient again.

This treatment has consisted in the exhibition of Fish-oil, sedatives, and bitters internally - and in the use of counter-irritation and Coccauntail ointment externally.

Under the foregoing circumstances, I give Mr. C. D'Rogue the following certificate.
