In reply to the Official Invoice of the Examiner

Collector has the honor to state that the pay of
J. Oukatarau to Gunasta of Ropore Siding
therein referred to was drawn in full in the Abstract
for February 1865, but was not paid to him pending
the final decision in the matter of the said individual
having overstayed his leave;— It was subsequently
decided that Oukatarau should only receive pay
upto 21st February 1865.

2. In his memorandum of the 17th January

to what date Jacob Van Hook Case had received

His pay, I regret in her reply of the 5th March, the

thus put, and I have now the honor to state

that Gade Bankat Rame received his pay upto the

3. With reference to the remarks in the Memorandum under acknowledgment, I have the honor to state that the Salary Abstract for the month of February 1865 was drawn up in this Office under the impression that Case, Parhat Case had returned to duty on the 6th February 1865, the date on which the leave for a month and a half previously given him expired, and it was not till the 21st granting an extension of fifteen days leave upto the 21st idem had reached the Account Department of this Office that the mistake in drawing in the Abstract his full pay from the 6th February 1865, and so implying that he had returned to duty on that date was discovered.

4. The mistake originated in the
Salary, for in the Abstract received from the
Rafair Sabailoan for the month in question,
he

He showed Gade Kinkat Rauer as entitled to
 full pay from the 6th of the month. - I was not
 aware of this mistake before and am calling on
 the Sahilean to explain how Gade Kinkat Rauer's
 pay came to be so drawn when he had not returned
 to duty. -

5. In the remarks in regard to the abstract for March in the Memo now under reply, there is apparently some mistake, as in the office copy of the abstract that Davis' name does not at all appear. Should it be shown in the original abstract, I beg it may be returned to me in view to further inquiry being made in the matter.

I have the honor to be,

Except the suspension awarded Applicant in June 1862, there is nothing on record against him, and his general conduct and character it may be therefore inferred was approved by those by whom he was employed. 4. The delay in the submission of this application was caused in the first instance (till August) by delay in a disposal of applicant's case, and inquiry into his antecedents &c; the subsequent delay is an oversight on the part of the English Correspondence Department to prevent a recurrence of which the requisite measures will be taken. According to the Rules therefore he has virtually forfeited his pension and lost his former services but in consideration of his infirm age and long services his fault for overlooking his leave has been excused, and he is recommended for the pension to which his services entitle him from the 22 nd March last, the date on which he should have returned to duty after the expiration of the leave formerly accorded him. 2.
