14	11	15	87	8	6	Qualifying Service as per margin having been verified Applicant is not under the Rules eligible to a pension but to gratuity not exceeding Rs. 1200. The Accountant General however solicits that the case may be referred to the Government of India for the special grant of 1/3 pension as was done in an analogous case upon the abolition of the Treasury. The period wanting to complete service for pension is only 15 days, and this is in consequence of deduction from actual service of time spent on Sick Leave before the new rules came into effect.

Pensions

Means for Orders

Mr L. T. Martin served in the Asst.
Genl's office for 15 years and 2
days in grades qualifying for
pension, but 17 days of this service
were passed on leave, and he is
therefore ineligible for pension by 15
days & can only claim gratuity:

The Asst. Genl. recommends that the
sanction of the Govt. of India be
solicited for the grant of ~~an~~
pension equal to $\frac{1}{3}$ salary, on
the grounds that the defect in
Mr Martin's claim is a technical
- siderable, and quotes in

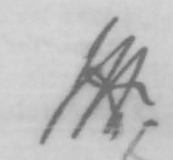

support of his recommendation the
case of P. Balasubramanian, a
reduced clerk in the Genl Treasury, to
whom a pension of $\frac{1}{2}$ salary was
granted, although his service fell
short of the required time by 10
months.

There is however this difference between
the case quoted and the present case,
that in the former the applicant
had served 29 years & was probably
an old soldier whereas Mr Martin
has only served 15 yrs and is in
the prime of life (40)

Mr Martin - the present applicant,
lost his appointment in May of

this year and in the ^{annual} ~~establishment~~ ^{renewal}
of the offices of Audit and Accounts
and is at any rate eligible to
gratuity not exceeding Rs. 1200.

Orders are requested.

The Commission is of the opinion
that a Pension ought to be applied
for -
by R.

Look if this can be recovered from.
When a limit is laid down it
is adhered to, at the expense of
those who are falling in
the short of it - but that can
be helped.
Considering the man is not past work

Ind of middle age &

Order thereon 7th August 1866 N^o. 277.

The Government regret
 that they cannot comply with
 the Accountant General's re-
 commendation to overlook the
 very slight defect which bars
 the applicants' claim to pension;
 but they consider that this is
 not a case in which the rules
 should be extended. The case
 quoted by the Accountant General
 in support of his recommendation
 differs from the present in an
 important respect. Mr Martin
 is

is of middle age and there is
nothing to show that he is un-
fit for further service, whereas
P. Balagurunathan Shetty had
served 29 years and was an old
man.

2. The Governor in Council
is pleased to sanction the dis-
bursement to Leopoldo Teresa Martin
of a gratuity of Rupees (1200) one
thousand two hundred, equal to
12 months salary.
