From the Collector of Tanjore.

(Here enter 27th November 1865.)

Report of the Acting Deputy Accountant General.

(Here enter 9th January 1866, No. 224.)

ORDER THEREON, 24th January 1866, No. 28.

From the above papers, it appears that the service of Chockalinga Pillai, late Tahsildar of Nannilam, in the Tanjore District, amounts to 37 years, 9 months, and 11 days, of which, however, 4 years, 11 months, and 26 days were passed in offices not qualifying for pension, and 7 years, 8 months, and 28 days of the remainder are invalidated by his having been twice dismissed--on the former occasion, on account of a difference between the estimated and actual outturn of certain Amani Villages under his charge, and on the latter, on suspicion of having received bribes in the execution of some Maramut works. He has thus but 24 years, 1 month, and 10 days qualifying for pension; his salary for the last five years having been 250 Rupees.

2. The Government regret that they are unable to pass to the applicant the half pension for which the Collector asks, and can only award him a pension of Rupees 83-4-0, or one-third of his salary.

3. This will be payable with effect from the 13th November 1865, at the Sheally Taluq Treasury, in the Tanjore District.

*Proceedings of the Madras Government, Revenue Department,
6th October 1865.*

No. 103. Read the following Proceedings of the Board of Revenue, dated 28th September 1865, No. 6,091.

Read the following letter from G. L. MORRIS, Esq., Collector of Tanjore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 15th September 1865, No. 298 :—

SIR,

1. I have the honor to reply to the Board's Official Memorandum, No. 623, dated 19th July 1865, in which I am requested to report whether Chokkalinga Pillai, Tahsildar of Nannilam Talook, is still fit to perform the duties of his office.

2. Since the date of the aforesaid Memorandum, Chokkalinga Pillai has been examined by a Committee of Medical Officers in Trichinopoly. A copy of the certificate granted by these gentlemen is herewith forwarded, and from it the Board will perceive that the Committee are of opinion that Chokkalinga Pillai "is from age and failing sight unfit for any active duties."

3. The Acting Sub-Collector, in whose Sub-Division Chokkalinga Pillai at present holds his appointment, agrees with the Trichinopoly Committee on this subject, and has lately complained to me of the way in which he does his Magisterial work.

4. Chokkalinga Pillai was first permanently entertained in the Government service in 1827; but in consequence of having been twice removed therefrom between that year and October 1841, his period of service for pension does not begin to count till the latter date, and now amounts to twenty-three years, eleven months, and twenty-six days. He is, therefore, now only entitled to one-third pension, but will be entitled to one-half pension in twelve months more.

5. Chokkalinga Pillai is, as the Board may imagine, very anxious to serve for another year, and I venture to recommend that he may be allowed to do so.

6. I have known him well since 1859, and have always found him an admirable Revenue Officer, ever willing and ready to do his work properly, and bearing and exceedingly good character.

7. I quite agree with Mr. Plumer that he is not a good Magisterial Officer, but this does not arise from age or infirmity, but because he is an illiterate man, and cannot master the Penal and Procedure Codes.

8. If the Board and Government will allow Chokkalinga Pillai to serve for another year, I purpose moving him from the Talook of Nannilam to that of Tanjore, and there confining him to revenue work alone, which is very heavy in that Talook, the Magisterial work being carried on by the Assistant Magistrate at Tanjore, and the two Sub-Magistrates at Trivadi and Vellum respectively.

9. I trust that the Board will not think that I wish to retain an incapable man in the service, for such is not the case; but as I feel confident that Chokkalinga Pillai can be of much assistance to me in the Tanjore Talook for another year, I have ventured to make the above recommendation, and hope the Board will bring the same to the favorable consideration of Government.

ENCLOSURE No. 1.

*Proceedings of the Madras Government, Revenue Department,
6th October 1865.*

1. Submitted to Government with reference to their Under Secretary's Memorandum, dated 14th July 1865.

2. The Board are of opinion that under the circumstances stated by Mr. Morris, Chokalinga Pillai may be permitted to remain one year more in the service, being employed on revenue duties only, as proposed.

For him directs me to
call the particular attention of the Govt to the
apparent hardship of the case. He was old &
just in the Nov. Sept ordered him to be pensioned.
He is now only entitled to 8 3/4 Rupees. Had he
been allowed to serve 10 months more, he
would have been entitled to Rs 125- half
as much again. The case is no doubt
hard, although, when the ages limiting
service to 60 years of age begin to operate
it will be not uncommon.

We must take the case as we
find it and deal with it under
the prescribed rules.
