4. On his appeal to the late Commissioner for the Northern Circars, Ramadoss was found guiltless, and was pronounced eligible for re-employment when a suitable occasion presented itself, as will be seen from the accompanying endorsement granted by Mr. W. Elliot, Commissioner. The whole amount of the fine was ordered to be refunded with the exception of Rupees 50.

5. On 11th December 1854, Ramadoss was appointed as Tahsildar of the present Nandigama Talook. Since then, his services are continuous.

6. If the service before the break in question is taken into account, he will be entitled to one-third pension.

7. Considering Ramadoss's long service of twenty-eight years, I beg that the Board will be pleased to recommend his case to Government as a special one, and obtain sanction for his being allowed to retain, as service eligible for pension, the break of three years, seven months, and nineteen days, so as to enable him to retire on one-third of his average salary for the last preceding five years which will amount to about Rupees 37.

8. Should the Board sanction this proposal, I will forward to the Accountant General an application in the prescribed form, on behalf of Ramadoss.

9. Ramadoss is allowed to retain his post till he is pensioned.

Sir,

With reference to your letter of the 20th Ultimo, No. 6254, I have the honor to forward the following explanation as called for regarding the services of Pamedegantam Ramadoss.

Period of services by M.S. Pay. No. This Estate having been under temporary management of Government officer, the applicant was paid for some time Rs. 20 a month, and some time Rs. 30 during that period.

2. Deputy Tahildar of Hykalur and Bhujalalapatam - - - - - 1.8.6. 30 35. This Estate also was temporarily attached. Applicant was paid for some time Rs. 30 a month. In the mean time, Cuddindypurgh-nah appertaining to Vassereddy Estate, had been requested for arrears of Pishensh and kept under the direct superintendence of the applicant, Rs. 5 were added to his pay and charged to that Estate. Hence his pay was Rs. 35 for some time.

3. Tahildar and Head of Police of Hykalur Taluk - - - - - 3.3.29. 75. Rs. 35 was allowed to the post of the Head of Police. Three other zemindary Estates also having been attached for arrears of Pishensh, the applicant was paid Rs. 40 separately for their management.

which was charged to them as specified in the margin, agreeably to the sanction of the Board of Revenue. Hence his pay was Rs. 75 during that period.

1. Hikalur and Rhu	Rs. 30.
jabalapatam Mutas.	
2. Kuldindy Pargana.	5.
3. Korkhollu Muta.	5.
	<u>40.</u>

2. From what is stated above, you will observe that the different salaries were paid to the same individuals; and that their division was for purposes of account. The greater part of the late Masulipatam District, was permanently settled for many years. Whenever the Proprietors of the Estates fell in arrears on account of Pishcush, portions or the whole of their Estates were attached, and kept under the Superintendence of the Heads of Police within whose jurisdiction they were situated, for managing the affairs of which they were allowed additional pay, which was charged to the Estates until they finally reverted to Government. From that time the revenue and Police salaries were separately shown in the accounts under the denomination of Tasildar and Head of Police. This arrangement was in force till the introduction of Mr. Pelly's new scale of Taluk establishments. The salary of the applicants (both revenue and Police) was taken into calculation from 1st March 1861 to 30th September 1862 at Rs. 70 a month.

Revenue - 35
Police - 35
Rs. 70

3. The service of the applicant in the years 1862 and 1864, was on account of the attached Estates alluded to above. This cannot be verified from the detailed list of Establishments rendered to the Audit office yearly; the pay of the Posts having been charged to the Estates and shown in the account current submitted to the Board of Revenue with the settlement reports of the attached Estates.

5. I am induced to trouble
the Board with this application on
the following grounds -

6. Ramadoss is not positively
incapacitated from the performance
of his duties, but his faculties have
no doubt become impaired to a
certain extent, and he has hardly
the energy and activity for the ma-
nagement of a large Taluk. With
this view the late Ag. Collector called
on him to take his pension; and
he at once cheerfully complied.

7. I believe, I am perfectly
correct in stating that the applicant
has no means whatever beyond
his Pension, he has not acquired
any property whatever in his whole
course of his service, and he is known
throughout

11 +
throughout the country as a man of
the most scrupulous integrity, and
if the liberality of Government
can be extended to him, it would
be looked upon by the public as a
reward for honesty, and could not
fail to have a beneficial effect.
