Memo for Orders

The Government in their Order (Pension Department) 1st June 1886 granted to Venkataswamy, a pension of Rs 27-8-0 remarking that under the strict rules he was only eligible to gratuity.

2 The Accountant General solicits a reconsideration of this order and suggests a reference to the Government of India. Since the grant is not in accordance with the rules.

3 The Pensioner served 32 1/2 years in grades qualifying for pension; the break which it is contended nullifies 26 years of previous service arises neither from dismissal nor reduction but he was appointed in 1859 apparently by way of promotion to the post of Stamp Gunmastah, a position which does not count for pension, not because of any prebendary in the duties attached to it, but because the

the remuneration takes the form of a commission
upon the sales of stamps and is not a salary
from the General Revenue.

The Government in their order
recognised the necessity for special consideration
being shown in this case - the question now
is, whether the Government will accept the
Accountant General's suggestion and refer, or
leave it to be represented by that officer. The
latter I believe has been the usual course.

Order of Government 1st June 1866 No. 204.

The applicant in this case held the office of Stamp Goomastah ^{being paid by} Commission ~~from~~ from July 1857 to March 1859, an employment which does not qualify for pension; this period therefore forms a break in an otherwise uninterrupted service of 32 years, and he has only a claim to a gratuity of six months pay.

This employment in an ineligible grade was not however the result of reduction, and therefore the Rt. Honable the Government Council resolved in consideration of long service and good character to grant ^{amounting to the sum of Rs. 27-8} the pension to which he would have been entitled had this break not occurred.

Acting Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to request that you will be good enough to submit, for the consideration and orders of the Government of India, the following pension case.

2. Venkataramanaiya has served under the Collector of South Canara continuously from 1827 until the present year, an uninterrupted service of nearly 40 years. From July 1857 to March 1859, however, he held the post of Stamp Goomastah on the Collector's Establishment—an office of which the remuneration takes the form of a commission upon stamp sales—and this period, consequently, under a strict interpretation of the rules, forms a break, which nullifies his previous services, and reduces his claim to one for gratuity.

3. His service having been practically continuous for 40 years, and the period of disqualification so brief (less than 1-20th), the Right Honorable the Governor in Council would grant the pension to which he would have been entitled had no such flaw occurred.

I have the honor to be,

Sir,

Your most obedient Servant,
