His Excellency the Governor
in Council
Fort St. George
Madras

The humble petition of
P. Venkata. Sullum late zamadar
in the Silundy of Korsepatam
of Vijayapattam District.

Most Honored Sir

When Chinna Bhooapaty
was raising disturbances in Gogondah Taluk
Mr. Smalley the then Collector Vijayapattam
Capt. Haily, commanding Silundy of
Korsepatam appointed me as a Zamadar
and favored me with a chaid and a horse, informing
me that in the event of my concluding peace with
Chinna Bhooapaty, who was burning the villages,
and plundering the people about Cristadunipoly,
I shall be rewarded very much, through his
recommendation, to Government, and in notice
given of these circumstances, I brought every
thing to a favorable conclusion within three
months.

When Shatarao rebelled the Government
and ravaging the people in the Ganjam
District, I was ordered to proceed there at
once to check the progress of the rebellion.
I therefore attacked the Fort of Vajajadak, and
taking Shatarao's brother-in-law, wife, and 10 of
the ring leaders prisoners, despatched and
delivered over the prisoners to Mr. Ford,
& Mr. Knox, who gave me a present of Rs 200... &
to the Silundy a travelling allowance for
a few days.

When Sobharedy, Ramareddy & Co.

in the Godavari district were committing
raids in that part of the country. I accom-
panied them with Capt. Gen. Bloomfield,
and a division against them to Gachalapada
attacked and destroyed three of their villages.
Peace was concluded on account of these events,
I received a character as a present of Rs 500.

As Chinnabhoopala Sunnessa
Bhoopala Sarabhadra made incursions
into Godavari Taluk, Captain Bannan
and myself were divided into four parties,
and defeated & dispersed the enemy, who
although fled for some time, were arrested,
with the exception of Sarabhadra, whom I alone,
with a small band of Sepoys, proceeded to
Pypoor & took him prisoner at Patavada.
in that Taluk. I, therefore, received a reward
of Rs 150. & a character registered in the
Government Records.

Mr. Robinson, Inspector General
of Madras Police appointed me an Inspector
on account of my behavior in the aforesaid
war of Tumkur was employed in Pypoor & Co.
hill station, while an Inspector and, when
I was applying to be transferred, I was
called to Head Quarters, was unjustly
reduced to Head Constable, posted,
in December 1864, to the Substation of
Pristinadaupet, and was ordered, in May 1865,
by Mr. Perry, the Inspector of Police, to
resign my situation as I deemed for a
long period in Sibundry. The Sect of Police,
while I was discharging my duties properly,
dismissed me from my services, & paid me
no salary for 2 months, although I did not comply
to resign.

I was neither fired nor marked.
Since I entered in Police Department.
I became very unpopular amongst the
the Police in many of the Taluks.

I always trusting that the Government
will support me by any way as I served
them for 20 years.

I have here enclosed ~~in~~ copies
of testimonials of my character & that of
the Hon. Secy from the Inspector of
Police, requesting me to resign my appoi-
ment. I therefore pray your Excellency
will be graciously pleased to favor
me with as much pension as your honesty
may deem proper, without leaving
unmercifully your faithful servant,
to be exposed to the wants of common
necessaries of life, as I am burdened with
a large family.

Sir,

In returning Petition N^o 1352 of 1866 from Semadar M. Venkatachalam, formerly of the (late) Golconda Sibbendy Corps, forwarded to me for Report on 19th July ultimo, I have the honor to state that the Petitioner has produced before the Principal Assistant at Nursipatam three original testimonials, of which the enclosed Paper contains true copies. The 1st relates to the Purlah Kimeedy disturbances of 1856; the 2nd to the campaign against the Polavaram Reddies of the Godavari district in 1858 and the 3rd to the last rising in the Golconda hill Country of Vizagapatam.

terms "The Petitioner was for some time
in the Subbande, no Special Services

being undoubtedly genuine, it would appear
that the Inspector General was mistaken.
Perhaps he is not well informed of the
transactions in which the Petitioner took
part seeing they are all anterior to the
Establishment of the new Constabulary.
