Memorandum
For orders.

With reference to the
Honorable Mr. Phillips' remarks
in Proceedings of Government in
the Pension Department in Matthew
sumi Chittys case, the As. Under
Secretary has the honor to suggest
that a notification in the following
form be published in the Fort
Saint George Gazette.

The objectionable practice
referred to is of constant occur-
rence, but to make the pensioner
suffer for what is to a great
extent the fault of the Head
of the Office, would it is respect-
fully submitted, bear hardly on
applicants for pension if such
a rule were suddenly adopted.

The

Draft Notification

"The Governor in Council regrets to observe that the practice of retaining applicants for pension, declared by Medical Certificate to be disqualified for further service, on the effective lists of Establishment, prevails in many offices both at the Presidency and in the Mofussil, notwithstanding the repeated and explicit orders contained in the Fort Saint George Gazette April 30th 1861 Page 594 communicated to all Collectors in the Boards Standing Circular No 8206, 16th December 1862, and the Notification, Pension Depart. dated April 17th 1866. Page 803.

It is therefore hereby notified that in future subordinates declared disqualified for further service will in no case be considered entitled.

entitled to pay after the date of such declaration, and Heads of offices will understand that they will be held responsible in every case in which a subordinate is retained on the effective list, to which in accordance with the rule above adverted to, such subordinate no longer belongs."

A draft notification drawn up by Mr. C. G. Walker is also submitted. The remedy therein proposed is to retrench all pay and allowances, drawn after date of Medical Certificate, from the pension granted to the applicant. Orders are requested as to whether this course, or that proposed in the last para of my draft which appears to be in accordance with the Honble Mr. Phillips' Minute is to be adopted.
