From

Sir, J^{rs} J^{rs} George.

I have the honor to forward herewith
for submission to Gov^t a register of application
for a good service pension of Pandicherry Sanni
Mudali the late Jawabdar of Madras
Collectors Office.

2. It will be seen from the ^{Register} that not-
withstanding a few years break in his service -
Sanni Mudali served Gov^t for upwards of
30 years, and always bore a high character.
In 1860 when the Madras and Chingleput
Collectrates were united, the applicants service
as Jawabdar was dispensed with, and he
was made a Stamp Vendor and stationed
at the Dy Collectors Office Mount Road
by Mr. Fumiffe, as a special case in considera-
tion of his long and faithful service.

3. It appears that Mr. Fumiffe at that time
told the applicant that he had still health and

vigor sufficient to continue in the service a
few years, and that after that, he would
still be entitled to a pension; but now as the
late orders have considerably reduced his income
as Stamp Vendor, he makes the present ap-
plication for a pension. No medical
Certificate appears to be necessary in his case,
as his present employment cannot be considered
as regular Govt. service, ^{he} being paid by a
percentage on the sales of stamps. The appli-
cant received as gratuity in 1838 when the
Soudore Commission was abolished 210 Rs.;
but that sum he refunded in September 1840
when he first made this application.

4. Under these circumstances, I beg
to recommend that a pension of Rs. 13.2.0
being a moiety of his average salary during
the last five years that he was a Jawabdar,
may be granted to Sani Mudali.

I have the honor to be

Referring to the application from this office for a pension for one Sany Mudaly and to the Memo of your Deputy thereof dated 10th April 1866.

2 — Sany Mudaly received no gratuity either in 1832 or in 1860.

3 — He was appointed Stamp Vendor, by an Order from this Office dated 11th May 1861, on the 1st April 1861 and remained in the office till the 30th November of that year on a fixed salary. The salary amounted to 35 Rupees a month, and was given him with reference to the order of the Board (Pena 21) dated 12th December 1860 No. 5823.

4. I suppose the circumstance of his being paid like other Government servants a fixed wage, entitles him to count as service the period during which he received it. Subsequent to 30th November 1844, his position was altered and he reverted to a remuneration by commission.

5. Laury Moody is unable to procure a sick certificate.
