*Proceedings of the Madras Government, Pension Department,
13th October 1866.*

Read again Proceedings of Government, Pension Department, dated 11th December 1862, No. 392.

Read also the following letter from the Sub-Secretary to the Board of Revenue, to the Chief Secretary to Government, Fort Saint George; dated Madras, 21st September 1866, No. 6777.

I am directed by the Board of Revenue to request that paragraph 3 of the Order of Government, under date 11th December 1862, No. 392, may be modified.

2. In the said paragraph, Heads of Offices are instructed to accept applications for pension from servants who, from length of service, do not require to produce Medical Certificates of unfitness for further duty, and at once to proceed to appoint successors to the offices vacated by them. When, however, the Service Returns are scrutinized in the Audit Office, it often happens that the applicant is found to be short of the requisite service, and he then finds himself without either pension or appointment, and with but a small prospect of regaining the latter.

3. It is obvious that, under such a course of procedure, cases of great hardship to deserving individuals must frequently arise, and the Board would suggest that instructions be issued in the Pension Department, directing all Heads of Offices not to fill up *permanently* any office vacated by an applicant for pension, whether on Medical Certificate or otherwise, until the pension is granted. This course will not cause more inconvenience than would be occasioned by the applicant for pension taking leave, a contingency for which all offices must, of course, be able to provide.

ORDER THEREON, 13th October 1866, No. 332.

The Government observe that the Order requiring that posts vacated by applicants for pension shall be immediately filled up, the applicant being no longer borne on the Effective List, is only insisted upon in the cases in which Medical Certificate is required under the rules.

2. There are, however, cases in which the Medical Certificate given may be objected to, and pension refused.

3. The Government are, therefore, pleased to direct that, as suggested in the letter of the Sub-Secretary to the Board of Revenue, on a post being vacated by an applicant for pension, such post shall not be permanently filled up until the final orders of Government passed upon the application shall have been received: during the interval intermediate between the application and receipt of the orders of Government, an incumbent shall be in each case appointed to act upon full pay.

*Proceedings of the Madras Government, Pension Department,
2nd November 1870.*

Read the following Proceedings of the Board of Revenue:—

Submitting a letter from the Collector of Cuddapah regarding the payment to certain newly-appointed Tahsildars of the District of the full salaries of their office, pending the decision of Government on the applications for pension on behalf of the late incumbents, and inquiring whether so much of G. O., dated 13th October 1866, No. 332, as requires that, pending the grant of a pension, the acting incumbent shall draw full pay, must be considered as cancelled. (Dated 11th July 1870, No. 4814.)

ORDER THEREON, 2nd November 1870, No. 595.

In modification of the Order of the 13th October 1866, Pension Department, referred to by the Board in the foregoing Proceedings, the Government resolve to direct that, in the case of retirement of an officer on application for pension, an *acting* incumbent should be appointed on *acting pay*, until the final orders of Government on the application for pension are passed. The officer appointed should then (if he has proved himself qualified for the post) be confirmed retrospectively, and allowed full pay from the date from which the pension takes effect, or from that of retirement in case gratuity only is allowed to the retiring incumbent.

2. As regards persons not fully qualified under the Examination Rules to hold a post, but specially appointed under certain conditions, the Government, on re-consideration, are of opinion that full pay should be allowed when the vacancy is a full one.

Sir,

I have the honor to observe that
of the applications for compassionate
allowance forwarded with your
official memorandum No. 53
of the 17th instant, the two bearing
the names of Permaul Naik
and Venkatasamy Naik correctly
appertain to two individuals of
those names, who are entitled
to compassionate allowances &
are therefore not the registers in
which it was requested might
be sent to this office in Mr
Boulton's letter of 11th Sept^r 1866 No 99.

2 As you will observe from the
previous

precious correspondence that has
passed on the subject, there are
only two persons of each of the
names above specified in the
Collector's list, whilst there are
three of each of them in Govern-
ment order of 4 May 1866 No. 154,
one of each of the names having
been, as stated by Government,
incorrectly entered in my office
in place of the Registers belong-
ing to two individuals named
Tirumalai Naik & Venkatarama
Naik. Unless therefore I am
in possession of all the Regis-
ters bearing the names of Peru-
mal Naik and Venkataramy
Naik, I am not able to say
which of the Registers contains
the correct names and which
writer

writer incorrectly copied the
same. I have to request how-
ever that you will cause
the remaining 4 Registers
now in the Government office
which bear the names in
question to be also forwarded
to me as early as possible,
in order that I may find out
the parties concerned & notice
their carelessness as directed
by Government.

I have the honour to be
