As

2 As respects a break of 5 Months, it should be mentioned, that the entry in the Register of 2 years and 11 Months service from 1st January 1857 in Chingleput District is a Clerical error - the claimant having continued in the appointment of Sub Overseer until 14th February 1860 (till the receipt of the order No. 10218 dated 11th February 1860 in the District Engineer's Office) his period of service extends to 3 years, 1 Month and 14 days - Hence the break adverted to is only two Months and 17 days, instead of 5 Months as reported in the letter above recorded.

No. 1573

Encl: 2 Petitions

It appears from the Report of the Distt Engr of Chingleput of the 10 Jany/60 that Sub Ovr Yogambara Pillay was in June last ordered to superintend the execution of certain work to the Chingleput Tank bund, and that on a personal inspection of the work the Distt Engr found it being so badly constructed that he fined the Sub Overseer 5 Rups, and at the same time instructed him how the work was to be done - These instructions it appears were only carried out to a small extent, the remainder of the work being of the old style, which was condemned, and

and for which a fine was inflicted on the Sub Ovr. It was intended to fine him a second time for this neglect of orders but by an oversight ~~it~~ this was omitted to be done.

2 The Sub Overseer is also stated to be very forgetful of and inattentive to the orders given to him, so much so that he requires continually looking after in any work entrusted to him for execution. On these grounds the D.E. recommends his dismissal.

3. In his letter of the 4th Feby/60 the D.E. forwards a Medical Report upon the Sub Overseer, which describes him to be in a good state of health and fit for further service and as the Chief Engr. is therefore precluded from recommending him for a pension or gratuity, and as on no account can an individual reported to be disqualified in one Distt be transferred to another, he has no other alternative but to order his dismissal from the Department.

Explains that Yagambara Pillay was desirous of being re-employed in the Department, until December 1865, when he was compelled to submit his Application for Pension, as there was no prospect of his being provided with employment, his age in addition disqualifying him for further Service. Hence the cause of delay in submitting the Application.
