From G. Lee Morris Esq
Collector of Tanjore

To The Secretary
to Government
Pension Department

Sir, With reference to para 3 of the
order of Government dated 28th
September 1866 No. 315, I have the
honor to report that Muttusami
Chetti therein required to appear
to have been removed from Govern-
ment employ under special orders
issued by Mr. Bannur, from the
15th of May last, and not from
1st August as supposed by
Government, the interval of one
week between the date of the
Medical certificate and the
Applicants removal from office
having been allowed for the
orders.

orders reaching the Taluk and the necessary arrangements being made for appointing a successor.

2 I do not clearly understand what documents are meant by the term "Bills" in para 2 of the Government order under acknowledgment. They cannot be the Salary Bills, as Muttusami Chetty's name is reported to have been struck off the monthly pay abstracts and his successor Buyanga Rao's name substituted, from 15 May last.

In the pension registers prepared and submitted from this office also, I observe that his service has been entered only up to 15th May, and in Column headed "from what date to commence" it is clearly stated that the pension is to commence from the 16th of May 1866.

Under

3 Under these circumstances I am of opinion that the applicant is entitled to have his pension disbursed from the 16th May 1866, and I beg therefore to request that Government will be pleased to order the same accordingly.

I have the honor to be

Chetti was retained on the effective list till the 1st August, he states that it is reported that Muttusami Chetti's name was struck off the monthly pay abstracts from the 15th May last.

3. The Bills referred to is the salary list of sanctioned establishment for the Tanjore District for the month of July in which Muttusami Chetti's name appears as having received his salary for the whole of that month; he is also shown by the Audit Register for 1866/67 to have drawn his pay, 15 Rs. per mensem up to the 31st July 1866.

4. Under these circumstances the Government are unable to comply with the recommendation made by the Collector, and desire Mr. Sec. Morris to ascertain what grounds there were for the report that Muttusami

Muttusami Chetti's name was struck off the list of his establishment, and that of his successor substituted, from the 15th May. It would appear that not only was Muttusami Chetti not removed from the date on which application was made, but that the orders of Mr. Banbury have been in some way or other ^{disregarded} ~~disregarded~~.
