The Total period of the Applicant's service as entered from the records of this office is 28-11-10 upto 15th December 1862 when he was thrown out owing to the revision of the Taluk Establishment. With a view to submitting an application for pension on his behalf, he was referred to the Medical Officer for a certificate of his fitness or otherwise for effective service, but as the certificate granted by him shewed that the applicant was fit for further active service, his case was not then submitted. With reference however to certain correspondence, the Government have been pleased to accord special sanction, vide margin, in the case of this & another individual (also now recommended for Pension). I have the honor to submit the usual application for pension without the Medical Certificate. The Service of the applicant was continuous and he has throughout conducted his duties in a satisfactory manner. I therefore now recommend that he may be allowed a pension equal to one third of his pay Rs. 12 only Rs. 4 per month from 15th December 1862 in consideration of his long & faithful services. It does not appear from the records that the Applicant has obtained any leave of absence since the 1st January 1858. The records previous to that date are not forthcoming.

The Governor in Council
is pleased to sanction payment
to Thystravali Ramakrishna
late a Samuddar in the Bapalla
Taluk of a Pension of Rs 400
per mensem, being equal to one third
of his average salary for last five
years, to which he is entitled in
accordance with Financial
Notification No 129 dated 10th Nov^r
1862—published at page 558 of the
Fort Saint George Gazette of the
20th Decm.

Payment

2 Payment of this pension will commence from the 1st Dec^r 1863, the date on which Rama-Kristnamas applied for Pension.

3. The delay which occurred is in part explained by the Collector, and it is concluded that the length of time amounting to eight months which elapsed after the date of the order of Government calling for the submission of the application which was only forwarded in August 1865, must be attributed to the exceptional difficulties under which the Collector's office labored subsequent to the 2nd November 1864.
