Sir

Being thrown out of employment
 in the classification under the orders of
 the Government of India No. dated 18th
 April last I beg with due deference
 to submit my application for pension
 having served under the Government
 28 years, 3 months and 15 days - viz -

From 1 st Dec ^r 1837	4 ^{rs} 5 ^{ms} 0 ^{ds}	at Bellore
to 31 st March 1843	5 ^{rs} 4 ^{ms} 0 ^{ds}	at Bellore
From 1 st June 1843	15 ^{rs} 5 ^{ms} 0 ^{ds}	at South Arcot
to 31 st October 1858		
and From 1 st November 1858	7 ^{rs} 6 ^{ms} 15 ^{ds}	at Accountant
to 15 th May 1866		General's Office.
	28 ^{rs} 3 ^{ms} 15 ^{ds}	

2. Your Honor will observe a break of 2 months from the 1st April to 31st May 1843, which I beg to presume will not be considered a break in service such as would ~~have~~ my previous service being counted for pension as I was obliged only to quit my service in one District to accept one in another District. The break was neither in consequence of dismissal nor my resignation from service, but was inevitable as I quitted one District to join another District.

3. During my service in South Arcot I was employed as a Military Writer on 16 Rupees from 22nd November 1849 to 31st October 1854 for 4 yrs 11 months & 9 days. The certificate granted to me by the Collector for this service is herewith annexed from which it will be seen that although designated

Military Writer, I was all along performing the duties of the Revenue Department. Although I hardly think that this circumstance will in any way affect my pension, yet I beg to submit that I was only obeying the orders of the Collector in accepting this service.

4. Under these circumstances I beg that your Honor will be so good as to obtain for me half pension to which my service entitles me.

I beg to remain

Qualifying service as per margin, having been

There is a break of 2 months in his service regarding
 which the Applicant offers the explanation contained in
 his letter dated 17th May last, herewith sent.

Though the Collector certifies that he performed Revenue
 duties in addition to those of Military Writer, the period
 spent in that appointment cannot reckon for pension, as
 he drew pay from Military Contract allowance, and not

4 The Govt consider the personal identification of applicants for pension to be a point of great importance, and they direct that care be taken in cases where there may be more than one indelible personal mark ^{that} all of these or at least so many as shall leave no difficulty in identifying the individual shall be described in the column headed "Personal Identification". The description in the present case, viz: Scar on the right hand
