I have the honor to return the application dated 29th June for a superannuation pension to be paid to Triembaka Rao late Seristadar of Kudligli with its enclosures received with your letter dated 24th ultimo, and to state that his reduction from a post of 50 Rupees to one of 45 Rupees is attributable to his having manifested great want of capacity, in dealing with Magisterial cases, so that the late Collector thought it desirable to transfer him to the post of Taluk Seristadar of Kudligli.

2 This request to be transferred to a lower post on the 1st February 1851 is attributable to his unwillingness to proceed from Hampurhulli where he was doing duty as Munshi, (but on the salary of his permanent post of Cash Gunasta at Raidurg) to take up his permanent post, so that his request to be permitted to continue as Munshi at Hampurhulli & vacate his post at Raidurg was complied with.

3. The delay in the submission of the application for pension is attributable to the necessity there was of ascertaining the circumstances under which there was a break of a year in his service, which however does not affect the present application for pension which is for his service subsequent to such break.
