He again gradually rose from that post to that of Tahsildar of Palnande Taluk on a salary of Rs 200 a month from which he retired. For the foregoing reasons I recommend that he be allowed a monthly pension of Rs 180 one half of the average salary of the previous five years from the 1st August 1865 on which date he was released from public duties. The delay in submitting this application is owing to the necessity of making a reference to the collector of Bellary for verification of the applicant's service in that district. As the period of applicant's service is above 35 years, no other certificate is submitted. Separate certificate of the applicant's age is here with sent. Translation

To Sharmavarapu Adappa
Tahsildar of Repalli Talug.

Shortly before I proceeded for the jumabandi of Palnad Talug for the current year I removed you from Dachapalli to Repalli Talug - on my arrival at the Palnad Talug, complaints were received to the effect that you had taken bribes & committed irregularities in the Revenue and Magisterial duties connected with your Office while as Tahsildar of Dachapalli Talug. I fully inquired into this & found that tho there was no sufficient proof from the evidence to convict you of the several charges yet the result of the trial showed that that you should not with any trust be retained any longer in the responsible post of Tahsildar in our particular case, a bribe is much suspected to have been received. In the case in which Guntapala Kotaya & others were charged with having poisoned one Kolavasi Juggaya in the Village of Joolakallu in the said Talug you were directed to act on your own judgment according to rules with reference to the proof adduced - you at first determined to commit the case to the Court and summoning the prisoners for whose attendance even Recognizances were not taken before that time prepared the form for Commitment which you signed. At this stage you abandoned your intention and

and liberated the prisoners. it is therefore much
to be suspected that you did so to give time in
order that you might give money. Besides this
complaints have come to the effect that you received
bribes from the newly appointed Karanams.
With the exceptions of two persons, all other indi-
viduals succeeded in their suits. Consequently
there is reason to believe that they could not
admit having given bribes. Under all these
circumstances you are dismissed from the office
of Tahsildar from this date and appointed
as Sheristadar of Pruttipad Taluk you will
proceed to Pruttipad, take charge of the
Office of Sheristadar and perform the
Sirkar duties.
