Cambridge

The Accountant General
Madras.

With reference to your letter dated the 27th ultimo returning an application for Pension for Causee Sivunamadla Modalliar for want of information on certain points, I have the honor to submit the application in a printed form with the marks of personal identification and height as well as the age of the applicant duly filled up and the latter attested by the Sheristadar.

2. Your letter under reply is herewith returned.

I have the honor to be
Sir,

Your most obedient Servant

Compil
H. B. Cook

DA & AG. Office
Recd 10 9 1866
Ans'd

For Circulation.

It is ascertained that the discrepancy noticed in the proposed order in the case of Pension granted to Srida-puram Visvanatha Mudaliar was caused by a mistake of the copyist in the acct. Genl's Office alone.

The mistake can be corrected after return from circulation and para 3 of that order may be omitted.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following Papers

From the Civil Judge of Coimbatore (Here entered 24th July 1866 No. 3)

Report of the Examiner of Claims (— 15th November 1866 No. 273)

Order thereon 8th Decem^r 1866 No. 376.

In pursuance of the foregoing reports the Governor in Council is pleased to grant—
Sydapooram Lausi Viswanatha
Koodeliar late District Munsiff
of Coimbatore a Good Service
Pension of Rupees (Rs. 8.00) ninety
five and Annas eight per
mensem equal to one half of his
average salary for the last 6 years
under Section VIII of the Revised
Pension Rules, with effect from
the

the 1st August last. payable as requested at the order of the Examiner of Claims.

2. It is observed that the average of his monthly salary is Rupees 191-0-5, and not Rs 191-7-9, as given by the Civil Judge in column 7 of the Register of application.

3. The Government further observe that the detailed statement of the applicant's services as given in his Register of application has been prepared in a very careless manner, and that the verification

that statement by the Examiner of Claims is in one or two points at direct variance with the former. Yet no explanation whatever of the discrepancies has been offered. For instance the applicant's Register shows his service to have been continuous while from Mr. Donald's statement there would seem to be a break (from 1st March to 31st October 1844)

regarding

omit this

regarding which nothing is said, and while ~~mentioned~~ from the statement submitted by the Civil Judge and on which the Examiner of Claims' report is based, no such break is shown to have occurred.

FB.

Note. There appears no doubt that there was no break in the service, and it did not seem necessary therefore to call for explanation before granting Pension, which has been due since August last.
