*Proceedings of the Madras Government, Pension Department,
8th December 1866.*

Read the following papers :—
From the Collector of Coimbatore.

(Here enter 3rd July 1866, No. 22).

Report of the Examiner of Claims.

(Here enter 12th November 1866, No. 267).

ORDER THEREON, 8th December 1866, No. 377.

Agreeably to the report of the Examiner of claims, the Governor in Council is pleased to grant Sattimangalam Cheluvarya, Vernacular Accountant of the Collector's Office, a monthly pension of Rupees 22-4-0, equal to a moiety of his average salary for the last 5 years, under Clause III, Section 6, of the Revised Pension Rules, payable from the 14th June last, subject, however, to the confirmation of the Pensioner's Medical Certificate by the Deputy Inspector General, on his visit to the station, as required by paragraph 3 of the Notification of 28th September last, published in the *Fort Saint George Gazette* of 2nd October 1866, page 450.

2. The Government agree with the Collector that the causes which led to the several reductions of the applicant's salary do not in the least degree affect his character.

3. The Government observe that, in the Certificate granted by the Medical Officer in the present case, he merely states that the applicant has been under observation and treatment for "some weeks."

4. The Principal Inspector General, Medical Department, will impress upon all Medical Officers the importance which is attached by Government to Certificates granted to applicants for pension, and the necessity of expressing, in clear and precise language, the result of treatment, or observation, of each case, together with the period over which such treatment has extended.

In forwarding the accompanying Register of application for pension from S. Cheluvaiya, vernacular accountant in my office, I beg to offer the following remarks in explanation of the apparent degradations which he seems to have undergone.

2. With reference to the reduction of salary from Rs. 35 to Rs. 15 per mensem, I have to state that he was at first appointed as Serishtadar in immediate succession to his father, for whom the then collector Mr. Drury is said to have had a great regard, but that he was shortly afterwards transferred to an appointment of Rs. 15, which was deemed more suitable to his qualification and limited experience.

AS

3. As regards the second reduction of salary from Rs. 33 to Rs. 30, the applicant had acted for a year in the superior appointment, at the end of which time, the former incumbent, on the order of the Collector reverted to his own post.

4. When the Honorable Mr. Pelly's reorganization of establishment was introduced, Cheluviah held a situation of Rs. 40, but was provided with a situation of Rs. 30 only.

5. Under these circumstances it is obvious that the reductions of salary above adverted to, were not the result of any misconduct on the part of Cheluviah.

I have the honor to be

Sir
Your most obedient servant

The Honourable A. S. Arbuthnot
Chief Secretary to Government

Sir

I have the honor to submit an application in the prescribed form for the grant of a gratuity to Karamally Khan late Superintendent of Salt Pans Mun-
surcottah.

2 Karamally Khan's service is just 12 years - five out of which have been passed as Head of Police in an unhealthy part of the Gumsur Malayahs.

3 He has always maintained a good character. His services have been dispensed with in consequence of Government having abandoned the manufacture of salt at Munsurcottah. There is no suitable place now vacant or likely to become vacant for him. I have therefore under the Rules of the 8th June 1863 recommended him for a gratuity equal to a year's salary viz Rupees 403-10-"

4 The gratuity when sanctioned will be disbursed to him as directed in Clause 14 of the Rules, viz in monthly instal-

months of a month's pay until the full
amount is exhausted.

I have the honor to be

Sir
