Sir

Adverting to the letter N^o 18 of date 30th ultimo, from the Surgeon Triplicane Dispensary to your address, I am desired by the Medical Board to transmit for your information and for communication to that officer, the accompanying Petition from Leechman Chellum, and to convey the Board's recommendation that his son Moonesawmy may be entertained in his place, who will no doubt maintain his father. Leechman are not entitled to Superannuation Pension, and should the proposed arrangements not be effected, Chellum will be utterly destitute: for a long series of years, he was one of the most efficient servants in the Government Dispensary, not only as a Leechman, but also as a Compounder.

The Examiner of Claims is not aware of any specific rule under which his claim may be disposed of, but should not be of opinion that he should be treated like all other military servants in the employ of Government and should they accept the State's grant of his gratuity, he could be granted the gratuity set against his name, under the old rules.

Sir

In reference to the Memorandum W-60 dated 8th Feb-
1886 to the effect of the Principal Deputy Ins. Gen. Dept.
inquiring when and under what circumstances
G. Monesamy late Surgeon in the Establishment
of the Dispensary was without employment
for a period of three months as stated in Volume 4 of the
Register of Application for promotion, and why he was
not reinstated, they have to point out that the
reason and the occasion of the Surgeon's loss of emp-
loyment are explained in the absence of Remarks in
the same Register, where it is stated that he "lost his
"appointment owing to a reduction having been ordered
of the Hospital Establishment". That reduction
took place on the 1st of November 1885, and as
there was no vacancy between that date and
the date of the application for promotion, the Sur-
geon Monesamy could not be re-employed.

the Governor in Council is pleased
to sanction the disbursement

There is not, I believe, any precedent for granting a man in the position of the applicant a gratuity but she has been a Gov^t Servant; and though a Menial, seems just as much entitled to gratuity as others of the same class.
