Lieut. Colonel G. M. Walker
Superintending Engineer
7th Division

Sir,

I respectfully beg permission
to lay this, my application, for pension
before your honor.

I was first entertained in
Government Service on the 22nd September 1836,
and my services up to the present day
amounts to 27 years nine months and 10 days,
as shown in the subjoined List.

I am now advanced in age, and
my physical abilities and mental faculties
are getting daily weaker and weaker. Conse-
quently I feel that I am unfit to serve
any longer. During the time I was employed
in the several Offices indicated in the List
I conducted myself with satisfaction to
my Superiors and I am glad to say that my
public career has not even in a single instance
sustained any blemish. In consideration
of my long and unbroken service I respectfully
request that your honor will recommend me
for half pension to which I am entitled, and
protect me and my family. I have appended
to this a List of my service. A reference to the
Collector will I think satisfy your honor
as to its correctness.

I send herewith Copy of a testimonial
granted by
Lieut. Col. Cameron and the rest are entered in
the Register of servants kept in the Office.

To

The Acting Deputy Accountant General
Madras

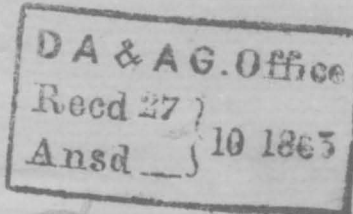

Sir,

Your letter No. 2558 of 17th October.
The enclosures sent with your Memo No. 212 of
11th February 1865 were forwarded to the Applicant
to furnish the requisite information, but as he was
very ill at the time, and subsequently died on the
11th April 1865, the papers could not be got from him,
nor were they forthcoming when applied for to his
family.

On a search being made among the de-
ceased's papers, although the original enclosures
to your Memo under reference were not found, yet
copies thereof signed and retained by the deceased
were found, which I beg to forward for your dis-
posal, in lieu of the originals returned.

There is only one Medical Officer in Crim-
batore, which accounts for the single signature
to the Medical Certificate. The death of the ap-
plicant precludes further steps being taken to
obtain another.

It does not appear from the Diary File
of my Office that your Memo No. 316 of 28th April
was ever received by me; to which cause is at-
tributable the inattention to the subsequent call;
for which however my then Office Manager (now
removed to an inferior appointment) is much to

to blame. Said Memorandum purports to
have returned certain papers which are now
entered in your List of Papers in hand; a
discrepancy leading to the obvious inference that
the Memo itself was never sent. The require-
-ment cannot be complied with, unless its ac-
-companiments are forwarded.

I have the honor to be
