Pension.

Read letter from the Collector of Nellore, dated 6th December 1865, No. 56.

*Read also the following report of the Examiner of Claims, dated 26th January 1866,
No. 238:—*

As shown in the accompanying Revised Service List, the Gumastah can reckon twenty years, five months, and twenty-eight days as having been passed in grades eligible to pension. Should Government accept the Collector's explanation of the cause of delay in submitting the application and of the medical certificate not having been granted till so long after the applicant ceased to do duty, and should the application be passed by the Government of India, to whom a reference is required under their letter, No. 14,819, dated 17th December 1861, B. Lutchme Narsoo will be entitled to a pension of Rupees 7, being one-third of his average salary for the last five years of his service.

(Signed) W. DONALD,
Examiner of Claims.

ORDER THEREON, 9th March 1866, No. 65.

The Government are unable to pass any pension to the applicant.

2. The application is dated 9th October 1865, three and-a-half years after the applicant quitted the public service, and the delay up to August 1865 appears to have been entirely on his part. A medical certificate granted upwards of three years after the period of quitting office can, of course, be no evidence of incapacity for service at the date of retirement.

Sir,
I have the honor to retransmit the application for Pension in behalf of Bhimaraju Lachminarasu, late a Gunasta in the Kandukunn Taluk of this District, which was returned for further information with your Acting Deputy's Memorandum, No 2665, dated 24th October 1865, and give below the information thus called for.

W. B.

2. In his Arji, No. 148 of the 3^d Ultimo,
the Telugu Record keeper reports that it does
not appear after a careful search in the records
of the Office, that any gratuity was ever paid
to Bhimarazu Latchimannaru for his services,
prior to 1844.

3. The reduction in salary in 1860,
from a Serishta Gumnastaship on Rupes 25
in the Sub Collector's Hazura Kacheri to
Rupes 15 as a Gumnasta in the Kandukurra
Taluk, was caused during the general re-
vision of Revenue Establishments according to
Mr. Pelly's scheme then in progress, when it

(H)
became necessary from the abolition of the
post Bhimarazu Latchimannaru then held
to provide for him as a Taluk Gumnasta on a
reduced salary.

4. No correction is necessary to the
entry in Column 7 of the Register, "the date on
which granted" referring to the 10th April 1862,
the date from which the Sub Collector in-
formed applicant he should be pensioned
and ordered his name to be struck off from
the roll of the regular establishment.

5. The requisite Medical Certificate
called for in support of the application is herewith

2. failed, and the delay in furnishing the in-
formation now submitted has been caused
by the failure of the applicant to produce
the Medical Certificate before yesterday.

I have the honor to be,

Sir,

Your Most Obedient Servant.

Wm. R.
Collector.
