Report of the Examiner of Claims. -

With reference to endorsement of Government dated 5th Ultimo, on the Petition of Mr. P. N. Buffley, the undersigned has the honor to report that Mr. P. N. Buffley is shewn by the Records of this Office to have served on the Permanent Establishment of the Accountant General's Office as Copyist and Accountant on Salaries of Rs. 20 and 35 per mensem from 1st March 1857 to 26th June 1857, and to have been thrown out of employ by the abolition of the Agency Department on the 27th June 1857. He appears to have been again employed from 8th January to 5th March 1858 as an Accountant on the same Establishment on a salary of Rs. 20 per mensem which post he resigned on the 6th March 1858.

For his first service of years 6-3-26 he could have been granted a gratuity of 6 months pay under the old rules, but as he was reemployed within 12 months he would have been required to refund half a month's pay for each month he remained unemployed (which would have amounted to 3 months pay) agreeably to para 1 of the Gratuity rules of 15th May 1857. He is therefore it appears to the undersigned not eligible to more than Rs. 105 equal to the remaining 3 months salary, if Government are of opinion that at this distance of time he is entitled to any retiring allowance.

 The Honble A. J. Adolphus
 Chief Secretary to
 Government.

Sir,
 I respectfully beg to trouble you with the following particulars, and trust you will look into my case; and grant me the gratuity of 6 months salary to which I am justly entitled.

I had served in the Accountant General's Office in the late Agency Department for a period exceeding 11 years, 6 and more of which; was in the permanent establishment; as you will observe from the annexed copy of the first Auditor's report to Government on the subject.

My application for a gratuity at this time may probably be considered out of season, but I must assure you that I was in the hopes of being re-employed in the Public Service, failing in my endeavours, the only alternative left me is to bring the particulars of my case before Government; and trust that it will meet with due consideration as the best portion of my life was spent in the service which will not be recognized should I ever enter it again.
