Sir

In reply to your letter No. 41 of 21st inst. forwarding Gratuity Rolls of 3 Vaccinators. I have the honor to inform you that on referring to the Records in my Office which date as far back as 1856. I found several discrepancies. Vaccinator G Nursiah's date of rank is shewn as 1st January 1849 but in the Returns dated 1st January 1862 & 63 this individual's date of rank is altered to 1st July 1849. Vaccinator P Sheeramooloo's date of rank is shewn in all the returns as 15th May 1852 but his name has been differently spelt at different times this man is shewn as having worked in the Ingeram District he was, as a foot-note in the Return for April 1861 states, suspended for 6 months for neglect of duty. Vaccinator I Veerasawmy's date of rank is shewn in the records as 7th July 1835 I am sorry that I have no records older than 1856 to make reference to regarding these men but how such discrepancies in date of rank could have occurred I am not aware

Civil Surgeon

Some very strong argument
wd. be necessary to make
out [illegible]'s service from 1845
while the books (from 6 documents)
show him as appointed on 10th Aug
59: this gives him less than six
years' service

Name of Officer preferring application	Cause of application	No of Individuals	Names	Late Employment	Period of Service	Last Salary	Gratuity to which entitled	Old or New Rules	Remarks
Princl Inspector General Medical Depart	Abolition of post by reorganization of Vaccine Establisht	1	J. Veerasawmy –	1st Class Vaccinator	29-11-6	14 " "	84 " "	Old	The services of these men can be verified from the records of this Office as noted in each case by Mr Taylor, Actg Depy Accountant General –
		2	P. Streeramulu –	2d Class Vaccinator	13 " 29.	10 8 "	42 " "	"	
		3	G. Narsiah	Do	15. 11-13	10 8 "	52 8 "	"	

With respect to the difference in dates of entertainment noticed by Mr. Taylor the undersigned is inclined to believe that they must have arisen from a mistaken reading of the heading in the 30 April list regarding such information or from non observance of the change in words of that heading – Up to 1856 the wording was "Date of Employment" – In 1857 and 1858 "Date of appointment to present Office" – 1859 & 1860 "Date of Entertainment" and from 1861 "Date of the Appointment of the individual holding Office".

From documentary proof the first is shewn to have been entertained in 1836, the second in 1852 and the third in 1849 – In accordance with this solution and the Statement of their Superior they can be granted the Gratuity shewn against their respective names.

Evidently true

The man was certainly in Government employ in May 61, & certainly not in employ in May 62. This supports the statement of the application. But entry shd. be made of any gratuity granted in 61 or Explanation given of the application for this gratuity. Further if any reason can be given why the break exceeding one year, shd. not destroy all the remaining claim on account of past service, it certainly shd be given.
