required and it should be carefully
 handled to save it from further
 destruction - With reference to the
 last para. of your letter under reply,
 I beg to state that the Bricklayer-
 Maistries in the late Civil Engineer's
 Department were not required to
 perform the duties of an artificer
 but were actually Draftsmen and
 Estimators ^{in the office} of the Civil Engineers of
 the Division.

Will you be good enough
 to dispose of this matter at an
 early date as the Family of the
 Invalid are not well off and have
 been put to great inconvenience
 owing to the non receipt of pay or
 pension for the last 6 months.
